6

in any credit card program agreement or other arrangement with any Nominated Purchaser which acquires the Program Assets a requirement (which Retailer shall use commercially reasonable efforts to enforce) that such Nominated Purchaser shall maintain the MasterCard brand on the Co-Brand Credit Cards through the Branding Expiration Date.

(b) Each of Bank and Retailer acknowledges and agrees that the Co-Brand Program shall be operated in accordance with the Association Rules. If and to the extent any of the terms and conditions contained in this Agreement that pertain to the Co-Brand Program conflict with such Association Rules, said terms and conditions shall generally be deemed to supersede the Association Rules, as between the parties hereto. If however, compliance with any provision of this Agreement that applies to the Co-Brand Program would directly conflict with the Association Rules and the conflicting provision(s) has not been worked out between Bank and the Association, such provision(s) shall

bedeemed modified to the extent necessary to comply with such directly conflicting Association Rules.

The parties further acknowledge and agree that, in the event of any such modification, the modified

term(s) of this Agreement shall preserve, to the extent practicable, the rights and obligations of the

parties as contemplated by this Agreement. If either party becomes aware of any material inconsistency between the Association Rules and any provision of this Agreement that applies to the

Co-Brand Program, such party shall timely advise the other party of any such inconsistency.

privacy policies and practices in a manner that permits it to provide Bank with the information necessary to permit

the legal and effective use of instant credit at POS locations.

2.5 Allocation of Program Expenses. Unless otherwise specifically provided in this Agreement, each party

will be responsible for all costs and expenses incurred by it in connection with complying with its responsibilities

specific allocation or reimbursement of expenses between the parties. The preceding provisions of this Section 2.5

notwithstanding, each party (the "Obligor") agrees to pay all costs and expenses, including reasonable legal fees and

costs, incurred by the other party in connection with any bankruptcy proceeding of, or other judicial proceeding

relating to the liquidation or insolvency of, or appointment of a receiver or similar officer for, the Obligor, whether

such fees arise before or after the filing or commencement of any such bankruptcy or other proceeding, in the

protection, preservation, amendment, exercise or enforcement of (i) any terms of this Agreement

7

or any related documents, or in connection with any obligations of the Obligor hereunder, and (ii) any security

interest granted to the other party (including the precautionary security interest granted to Bank

under this

Agreement).

ARTICLE 3 — SETTLEMENT

3.1 Settlement Procedures.

(a) Retailer will transmit Charge Transaction Data in respect of PLCC Purchases following the PLCC Launch Date (and Co-Brand Purchases following the implementation of the Direct Settlement

Process pursuant to Section 3.2) to Bank each Business Day and otherwise in accordance with the Operating Procedures. If Charge Transaction Data is received by Bank's processing center before 4:00

a.m. (Eastern) on any Business Day, Bank will process the Charge Transaction Data and initiate payment on the same Business Day. If the Charge Transaction Data is received after 4:00 a.m.

(Eastern) on any Business Day, or at any time on a day other than a Business Day, Bank will process

the Charge Transaction Data and initiate payment on the next Business Day.

(b) Following the PLCC Launch Date for purposes of PLCC Purchases and the implementation of the Direct Settlement Process pursuant to Section 3.2 for purposes of Co-Brand Purchases, provided no circumstance exists that would entitle Bank to give notice of termination of this Agreement (and Bank has provided written notice of such circumstance to Retailer, and subject to any

applicable right of Retailer to cure hereunder), Bank will, upon receipt, verification and processing of

Charge Transaction Data during the Term, remit to Retailer in respect of such Charge Transaction Data, an amount equal to (i) the sum of (A) the Retailer Royalty and (B) the total charges identified in

such Charge Transaction Data less (ii) the sum of (A) the total amount of any credits included in

such

Charge Transaction Data (and the Retailer Royalty corresponding to each such credit); (B) any amounts charged back to Retailer pursuant to Article 8 (and the Retailer Royalty corresponding to each such charged back amount); (C) the total amount of any In-Store Payments included in such Charge Transaction Data, and (D) at Bank's option, any other amounts then due and owing from

Retailer to Bank (including such amounts as may be due under Schedule 10.2(p)). Bank shall not be

obligated to fund any Charge Transaction Data submitted by Retailer more than fifteen (15) days after

the date of the applicable purchase transaction.

through the Association pursuant to the terms and conditions of the Association system and the terms

and conditions of any applicable agreement between Retailer and its merchant/acquiring bank.

(b) Each of Bank and Retailer agrees to use commercially reasonable efforts to implement a process for Co-Brand Purchases to be settled directly through Bank ("Direct Settlement Process") no

later than February 29, 2012. Each of Bank and

8

Retailer acknowledges and agrees that the implementation of the Direct Settlement Process shall be a

condition precedent to the launch of the PLCC Program. Bank and Retailer agree that purchases

through the Retailer Website may be included in the Direct Settlement Process at a later date pursuant to Section 7.17(e).

3.3 Bank Payment Terms.

(a) Bank will transfer funds payable to Retailer under this Agreement via wire transfer to an account maintained in the name of Retailer, pursuant to written instructions delivered to Bank by Retailer.

(b) Notwithstanding any other provision of this Agreement, Bank shall have all of the rights and remedies to which it is entitled hereunder and under Applicable Law to exercise the rights of set-off

and/or recoupment with respect to Retailer's obligation to pay Bank any amounts due to it under this

Agreement, including without limitation, chargebacks. Retailer expressly acknowledges that all payment rights between the parties under this Agreement, including Bank's duty to settle with Retailer

for Charge Transaction Data pursuant to Section 3.1, and Bank's right to chargeback to Retailer under

Section 8.1, shall be deemed to be a "single integrated transaction" for purposes of determining Bank's right of recoupment. Retailer expressly agrees that in the event Bank seeks relief from the automatic stay under 11 U.S.C. § 362 to exercise any such right of set-off, that Retailer will consent to

the entry of an order granting relief from the stay. Nothing in this Section is intended to limit either

Bank's or Retailer's common law right of set-off and/or recoupment.

3.4 Retailer Payment Terms. Unless otherwise provided for elsewhere in this Agreement, any amounts

payable by Retailer to Bank under this Agreement will be due when invoiced by Bank and shall be paid in

immediately available funds within fifteen (15) days after the date of such invoice. Unless the parties otherwise

agree, Retailer will transfer funds payable to Bank under this Section 3.4 via wire transfer to a deposit account

maintained in Bank's name pursuant to written instructions delivered to Retailer by Bank.

ARTICLE 4 — COMPENSATION

4.1 Compensation. The compensation payable by Bank to Retailer shall be as set forth in Schedule

4.1 hereto.

ARTICLE 5 — OPERATING COMMITTEE AND RELATIONSHIP MANAGEMENT

(j) Monitor compliance of the Program with Applicable Law;

(k) Resolve disputes that may arise between the parties;

(l) Approve the use of any third-party (e.g., subcontractors or outsourced service providers), other than any affiliate of the parties, to perform any of the obligations of the parties under the Program after the Effective Date, unless such third party is used by Bank to perform Bank's obligation

in connection with the Majority of Comparable Programs.

(m) Evaluate and approve changes to any of the following:

(i) offering of new Credit Cards or approved ancillary products;

10

(ii) material changes to the Operating Procedures;

(iii) changes to the privacy provisions set forth in Section 15.6 herein and to the Privacy Policy set forth in Schedule 7.2(b) hereto; and

(iv) changes or additions to the Service Level Standards applicable to the Program;

(n) If Retailer so requests, review issues raised by Retailer (but excluding the chargeback of individual transactions) with respect to the process through which chargebacks are decided by Bank; and

(o) Carry out such other tasks as are assigned to it by this Agreement or jointly by the parties.

5.3 Operating Committee Meetings.

(a) The Operating Committee shall meet no less than once each calendar quarter. Either party may convene special meetings other than those regularly scheduled by the Operating Committee.

Meetings may be in person or by telephone with each party bearing its own expenses.(b) All decisions of the Operating Committee are to be unanimous decisions with each party having one (1) vote. At least one (1) representative of each party must be present for a quorum of the

Operating Committee.

(c) If a majority of the Operating Committee members constituting a quorum at any meeting fail to agree on any matter presented before the Operating Committee within ten (10) Business Days after

the relevant initial vote, then initially the SVP, Diversified Client Group of GE Capital – Retail Finance and the Chief Financial Officer of Retailer, whether or not on the Operating Committee (or

any other similarly ranking officer of Bank or Retailer, as the case may be, who is not an Operating

Committee Member and shall have been designated in writing by Bank or Retailer, as applicable) shall in good faith attempt to resolve the matter. Any resolution by such senior officers shall be deemed to be the action and approval of the Operating Committee for purposes of this Agreement. If

after ten (10) Business Days, the matter remains unresolved by such senior officers of Bank and Retailer, the failure to agree shall constitute a deadlock. In the event of a deadlock, the final decision

shall rest with Retailer in the case of Retailer Matters and with Bank in the case of Bank Matters, each

of which shall, except as otherwise provided herein, exercise its discretion reasonably and in good

faith. If a deadlock should occur with respect to an issue not expressly specified as a Retailer Matter or

a Bank Matter, the status quo of the Program shall remain and the matter under consideration shall be

deemed not adopted by the Operating Committee.

(d) In accordance with and subject to this Section 5.3 and Schedule 5.3(d), Retailer shall have the ultimate decision making authority with respect to Retailer Matters and Bank shall have the ultimate decision making authority with respect to Bank Matters.

5.4 Relationship Managers; Other Designated Bank Employees. Bank and Retailer shall designate individuals with responsibility for the day-to-day management and administration of the Bank/Retailer relationship and the Program as set forth in Schedule 5.4 hereto.

ARTICLE 6 — MARKETING OF THE PROGRAM

6.1 Semi-Annual Marketing Plans. During the Term, Bank and Retailer will work together in good faith to formulate and agree upon a Marketing Plan as provided in Section 5.2(b) herein. Bank shall prepare an initial draft of each Marketing Plan and submit it to the Operating Committee for consideration. Each semi-annual Marketing Plan shall fully support the Retailer's retail marketing plan and set forth the manner in which amounts in the Marketing Fund (as defined below) will be expended, and which party shall be responsible for any expenditure(s) in excess of the Marketing Fund. The Operating Committee may from time to time agree on additional specific marketing activities for the Program.

6.2 Marketing Fund and Relaunch/Revitalization Fund. Bank will establish and administer (a) the Marketing Fund and (b) the Relaunch/Revitalization Fund for the launch of the PLCC Program and the relaunch and revitalization of the Co-Brand Program in accordance with the provisions set forth on Schedule 6.2 hereto.

6.3 Additional Bank Marketing Support. Upon the reasonable request of Retailer from time to time,

consistent with the Marketing Plan, Bank shall perform the marketing functions set forth on Schedule 6.3 hereto.

6.4 Responsibility of Retailer to Promote the Program. Without limiting Retailer's obligations under the

Marketing Plan, Retailer will actively support and promote the Program in accordance with Schedule 6.4 hereto.

6.5 Cardholder Rewards Program. Retailer shall establish the Cardholder Rewards Program and fund

rewards redeemed by Cardholders in accordance with the terms set forth in Schedule 6.5 hereto.

6.6 Cross-Selling. Bank or its designees may solicit Cardholders for certain products in accordance with the

terms set forth in Schedule 6.6 hereto.

ARTICLE 7 — OTHER AGREEMENTS

7.1 Ownership of Accounts; Credit Losses.(a) Bank is and will be the sole and exclusive owner of all Accounts and Account

Documentation, except for any interest in Retailer-licensed marks and co-interest in sales slips and

other evidence of charges, and will be entitled to receive all payments made by Cardholders on Accounts except when Retailer has exercised its right

to purchase the Accounts and closed the purchase transaction. Bank shall be identified as the creditor

and owner of the Accounts for all purposes, and Retailer shall not represent or imply otherwise.

Retailer acknowledges that it has no right, title or interest in any Accounts or Account Documentation

and will not, at any time, have any right to any proceeds or payments made under the Accounts unless

Retailer subsequently purchases or otherwise acquires such Accounts from Bank. Retailer authorizes

and empowers Bank to sign and endorse Retailer's name upon any checks, drafts, money orders or

other forms of payment in respect of any Account that may have been issued by the Cardholder in

Retailer's name. This limited power of attorney conferred in this Section 7.1 is deemed a power coupled with an interest and will be irrevocable prior to the Final Liquidation Date. Nevertheless, Bank shall have full liability to Retailer for any misuse of such power of attorney.

(b) Bank will bear all credit losses and fraud losses on Accounts (other than as permitted by Bank's chargeback rights in Article 8 and other than credit losses and fraud losses incurred after the

Accounts are purchased or otherwise acquired by Retailer or a third party).

(c) Consistent with Applicable Law, Reasonable Financial Services Practices and Association Rules, Bank shall maintain a fair dispute resolution policy with respect to Accounts and will operate

such policy so as to maintain, within reason, the goodwill of Bank and Retailer with their customers,

provided that Retailer shall cooperate with Bank in the resolution of disputes pursuant to such

policy.

7.2 Ownership and Use of Cardholder Information. The ownership and use of Cardholder Information by

the parties shall be governed by the terms of Schedule 7.2 hereto. Bank shall undertake to assure that its disclosure

and privacy policies are in full compliance with all Applicable Law.

7.3 Cardholder Terms. The initial Cardholder credit terms under the Program are set forth on Schedule 7.3.

Retailer acknowledges that Co-Brand Credit Cards and Private Label Credit Cards may be subject to different

financial and/or other Cardholder Agreement terms. Such initial terms shall only be modified upon approval of the

Operating Committee, provided, however, that Bank may modify such terms without the prior approval of the

Operating Committee as required by Applicable Law or Reasonable Financial Services Practices or to the extent

comparable modifications are made to the terms of the Bank's policies.

7.4 Credit Criteria.

(a) Retailer acknowledges and agrees that Bank may: (i) issue either a Private Label Credit Card or a Co-Brand Credit Card to any new applicant for an Account; and (ii) issue at any time and from

time to time a Co-Brand Credit Card to any existing Cardholder or group of Cardholders as a replacement for an existing Private Label Credit Card; provided, however, that (x) if a Cardholder requests to keep the Private Label Credit Card, Bank will honor such request and (y) Retailer and Bank agree that decisions to issue Co-Brand Credit Cards as replacements for existing Private Label

Credit Cards on a Program-wide basis (either to individual Cardholders based on the use of systemic

13

thresholds or simultaneously to a group of Cardholders) shall be mutually agreed upon in advance by

Bank and Retailer. For the avoidance of doubt, nothing contained in this Section 7.4(a) shall limit Bank's ability to establish or modify the credit criteria used in evaluating applicants and Cardholders

under the Program pursuant to Section 7.4(b).(b) Bank shall establish in its discretion and may modify from time to time any or all of the

credit criteria used in evaluating applicants under the Program (including, without limitation, the creditworthiness of individual applicants, the range of credit limits to be made available to individual

Cardholders and whether to suspend or terminate the credit privileges of any Cardholder). Bank will

consult with Retailer regarding any changes to the credit criteria used for the Program which, in Bank's reasonable opinion, could reasonably be expected to have a material effect on the Program.

(c) Bank shall be obligated to meet the Minimum Credit Targets in accordance with Schedule 7.4(c) hereto.

7.5 Operating Procedures. The Operating Procedures in existence immediately prior to the Effective Date

shall remain in effect under this Agreement as Bank may amend them from time to time upon notice to Retailer.

Bank will develop and provide to Retailer within thirty (30) days before the launch of the Private Label Credit Card

new Operating Procedures to address the Private Label Credit Card and Direct Settlement Process for the Co-Brand Credit Card.

7.6 Credit Review Point. Bank shall provide a credit allocation for the Program in the amount of the Credit

Review Point. Bank will not be obligated to make any extension of credit under the Program if, after such extension,

the aggregate Indebtedness for all Accounts would exceed the credit line for the Program then in effect. For the

avoidance of doubt, all Indebtedness attributable to both Private Label Accounts and Co-Brand Accounts (including

Indebtedness relating to Non-Retailer Purchases) shall be included in the calculations in respect of Indebtedness and

the Credit Review Point under this Section 7.6. Bank shall also have no obligation to extend further credit under the

Program at any time after the occurrence of any event that would allow Bank to give notice of termination

hereunder, should such event not be rectified within 30 days after notice of default is given. If at any time the

aggregate Indebtedness with respect to all Accounts equals or exceeds eighty percent (80%) of the Credit Review

Point then in effect, then within ninety (90) days thereafter, Bank will select one of the following options and give

Retailer written notice of its selection:

(a) Bank may increase the Credit Review Point to an amount that will accommodate the then outstanding Indebtedness, and anticipated growth in such Indebtedness (as applicable), based on

Bank's good faith projections. If Bank selects this option, then Bank's written notice to Retailer will include the amount of the increased Credit Review Point. Retailer shall have the option to terminate the Agreement in accordance with the provisions of Section 10.2(h) of the Agreement if the Bank's increase does not satisfy Retailer's good faith projections of Program growth.

14

(b) Bank may elect not to increase the Credit Review Point, in which case, Retailer will be entitled to terminate this Agreement in accordance with the provisions of Section 10.2(g) of the Agreement.

7.7 Retailer Financial Reports.

(a) If at any time during the Term, Retailer ceases to be obligated to file periodic financial reports with the Securities and Exchange Commission pursuant to the reporting requirements of Section 13 or Section 15(d) of the Securities Exchange Act of 1934, as amended, or ceases to timely satisfy such obligations, Retailer will:

(i) As soon as practicable but in any event not more than ninety (90) days after the end of each fiscal year, deliver to Bank its audited annual financial statements, including its audited consolidated balance sheet, income statement and statement of cash flows and financial position and accompanying notes to such financial statements.

(ii) As soon as practicable but in any event not more than sixty (60) days after the end of each fiscal quarter, deliver to Bank its unaudited quarterly financial statements, including its unaudited consolidated balance sheet, income statement and statement of cash flows, and accompanying notes to such financial statements.

(b) During the Term, if Retailer ceases to be in compliance with any of its obligations under an

existing credit facility, Retailer shall notify Bank of such non-compliance and deliver to Bank copies

of all compliance certificates (and any reports, supporting documents or other back-up materials to the extent Retailer is required to provide the same to its lenders) delivered to its lenders under its credit

facilities, if any.

(c) Within sixty (60) days after the end of each fiscal quarter, Bank shall provide to Retailer Bank's quarterly call report.

7.8 Inserts and Billing Messages.

(a) For each billing statement sent to Cardholders during a billing cycle during the Term, Bank will make available to Retailer a space for two (2) customized messages on the billing statement and

Bank will include up to two (2) Retailer inserts into each billing statement to the extent possible without causing an increase in postage costs; provided that Bank shall have the right with respect to

the billing statements for any month to utilize one (1) insert in order to (i) send a notice required by

Applicable Law in such month (or if Bank reasonably believes a notice is necessary or desirable to protect Bank's interest in the Accounts), or (ii) promote Enhancement Products or other cross-sell products and services permitted to be offered under Schedule 6.6. Retailer inserts and messages shall

take precedence over all Bank communications with the exception of Bank notices required by Applicable Law or notices that Bank believes to be necessary or desirable to protect Bank's interest in

the Accounts. For any statement messages or billing inserts to be included in the billing statements for

any given month, Retailer must provide such statement messages or billing inserts to Bank at least

fifteen

15

(15) days prior to such calendar month. Bank shall promptly notify Retailer if the inclusion of such billing inserts will cause an increase in postage costs on such billing statements. If Retailer nonetheless wishes Bank to include Retailer's inserts in such monthly billing statements, then Retailer

will provide at least five (5) days prior notice to Bank to enable Bank to adjust its process and Retailer

will pay the incremental postage charges resulting therefrom, reduced by the weight of any non-legally required notices. Retailer will provide copies of all billing inserts to Bank at its own cost.

Retailer shall retain all revenues it receives from all inserts (other than any inserts promoting the Credit Cards or approved ancillary products that Retailer may permit to be produced and distributed in

accordance with the Marketing Plan). Subject to Applicable Law, Reasonable Financial Services Practices and Bank's right to protect Bank's interest in the Accounts, each party shall have the right to

reject any message that the other party may wish to include in a billing statement if the rejecting party,

in good faith, believes that such message is detrimental to the image of the rejecting party.

(b) The form of customized messages and all billing inserts will comply with Bank's specifications as provided to Retailer from time to time, and Bank shall have the right to reject any message or billing statement that Bank reasonably believes is detrimental to the image of Bank or the

Program. For the avoidance of doubt, for purposes of Retailer's rights under this Section 7.8(b), only

billing inserts and statement messages regarding the Program, goods and services available for purchase from Retailer under the Program, or such other goods and services (other than financial products or services) as Retailer may reasonably suggest (with respect to which Bank shall not unreasonably withhold its consent) shall qualify for inclusion in Cardholder billing statements.

7.9 Third Party Participation. As of the date of this Agreement, Retailer represents and warrants that no

affiliate of Retailer is engaged in the business of selling goods or services to retail consumers other than those

affiliates, if any, whose existence and retail consumer sales activities have been disclosed to Bank prior to the date

hereof. After the Effective Date, Retailer shall require any newly acquired affiliate, to the extent such affiliate does

not already operate a credit card business or have a credit card through Bank or another issuer, to enter into a written

agreement with Bank to be a "Retailer" hereunder (on such modified terms and conditions as mutually agreed by the

parties), provided, however, that nothing in this Section shall require any newly acquired affiliate to participate in

the Program should it decide not to participate in any Retailer-branded credit or charge card program and the

provisions of Schedule 9.1 shall govern with respect to any new affiliate which, as of the date of Retailer's

acquisition thereof, is participating in a credit or charge card program branded with such affiliate's name or marks.

Notwithstanding the prior sentence, Retailer shall require any newly acquired affiliate which intends to participate in the Program to execute or authorize the filing of such additional documents (including but not limited to UCC financing statements) as Bank may reasonably require in accordance with Section 7.13.7.10 Use of Names and Marks.

(a) Retailer hereby grants Bank during the Term, except as extended in accordance with Schedule 11.4, a nonexclusive, non-transferable, royalty-free license to

16

use the Retailer Marks in connection with the establishment, administration and operation of the Program and the ownership and liquidation of the Accounts (including, without limitation, the exercise by Bank of all of its rights under this Agreement and under Applicable Law, and the fulfillment of all of Bank's obligations under this Agreement and under Applicable Law). Bank's use of the Retailer Marks shall be limited to the materials necessary to Bank's administration of the Program (including, by way of example and not limitation, applications, Cardholder Agreements, Credit Cards, billing statements, privacy disclosures and Cardholder correspondence), as well as to printed, electronic and broadcast matter advertising and promotion of the Program (collectively, "Program Materials") and as otherwise provided for in this Agreement. Use of the Retailer Marks in connection with any Program Materials shall be subject to Retailer's prior approval, which approval shall not be unreasonably withheld or delayed, and such Program Materials shall be used by Bank in all material respects as approved by Retailer; provided, that once such approval is received, and

in the

absence of a material alteration thereto or to the context in which such Retailer Marks are being used

by Bank, no further review or approval shall be required for the continued use (including re-printing

and re-distribution) of such Program Materials by Bank. Bank acknowledges that the Retailer Marks,

all rights therein, and the goodwill associated therewith, are, and shall remain, the property of Retailer.

Nothing herein shall give Bank any proprietary interest in or to the Retailer Marks, except the right to

use the Retailer Marks in accordance with this Agreement, and Bank shall not contest Retailer's title

in and to the Retailer Marks as the same exist as of the date of this Agreement. Bank agrees to include

Retailer Marks on all billing statements sent to Cardholders.

(b) Without the prior written consent of Bank (which consent shall not be unreasonably withheld or delayed), Retailer may not use Bank's name (or the name of any affiliate thereof) or any

related marks, logos or similar proprietary designations; provided, that Retailer may use Bank's business name, in the nominative sense, in connection with any credit disclosure verbiage included in

any advertising of the Program (or any credit-based promotion offered thereunder) by Retailer.

7.11 Intellectual Property. All technology, software, or other material developed, invented, created or

authored by either party in connection with the Program shall belong solely and exclusively to the

developing party,

including all intellectual property rights relating thereto.

7.12 Securitization. Bank and its affiliates may securitize, participate or otherwise convey or transfer an

interest in, or pledge or create a lien in respect of, any or all of the Accounts and/or Indebtedness at any time during

the term of this Agreement. Such securitization, participation or pledge shall not affect Retailer's rights or Bank's

obligations hereunder. Bank shall not securitize, participate or pledge the Accounts or Indebtedness in any manner

that may encumber Retailer's rights hereunder to purchase Program Assets. Retailer agrees to cooperate with Bank

and its affiliates and use commercially reasonable efforts (without being required to incur any material out-of-pocket

costs) to assist Bank and its affiliates in connection with any such matter.

17

7.13 Grant of Security Interest/Precautionary Filing.

(a) Both (i) to guard against the possibility that it is determined that Article 9 of the UCC applies or may apply to the transactions contemplated hereby, and (ii) to secure payment of and performance by Retailer of any and all indebtedness, liabilities or obligations, now existing or hereafter arising pursuant to this Agreement, including indebtedness, liabilities and obligations that

may be deemed to exist in the event of the applicability of Article 9 of the UCC to, and any recharacterization of, any transactions contemplated hereby, Retailer grants to Bank a security interest

in all of Retailer's right, title and interest, if any, now existing or hereafter arising in all (i)

Accounts,

Account Documentation and Indebtedness; (ii) all deposits, credit balances and reserves on Bank's

books relating to any such Accounts; and (iii) all proceeds of any of the foregoing (the "Collateral"). For the avoidance of doubt, Bank's security interest does not include amounts paid by Bank to

Retailer pursuant to this Agreement.

(b) Retailer represents and warrants that it has not and will not grant any security interest to or authorize the filing of any financing statement in favor of any person that attaches to or covers any of

the property set forth in the preceding subsection (a) or that would attach to or cover such property, if

contrary to the intent of the parties to this Agreement, Retailer was determined to have any rights

therein, other than any security interests or financing statements that have lapsed or been terminated.

Bank acknowledges that Retailer has entered into, and will hereafter modify and enter into new credit

facilities which are secured by some or all of Retailer's assets other than the Collateral and that the

documents evidencing such credit facilities grant, among other things, the lenders thereunder the right

to set-off against various bank accounts of Retailer.

(c) Retailer agrees to cooperate fully with Bank, as Bank may reasonably request, in order to give effect to the security interests granted by this Section 7.13. Retailer hereby authorizes Bank to

file such UCC-1 or comparable statements as Bank reasonably deems necessary or appropriate to perfect such security interests. Retailer represents and warrants that as of the date hereof the following

is the true and correct corporate name and state of organization of Retailer: ZALES JEWELERS, Inc., a Florida

corporation. Retailer agrees to provide Bank with thirty (30) days' prior written notice of any change

in any of the foregoing corporate name, or any state of incorporation. Bank agrees to provide a written

explanation of the prophylactic nature of its security interest to any third party promptly upon Retailer's request.

(d) Unless Bank shall have otherwise consented in writing, Retailer shall not create, assume or suffer to exist any lien on any of its right, title or interest under this Agreement or in the proceeds thereof.

7.14 In-Store Payments. Not later than six (6) months after the Effective Date, Retailer shall implement at

Store Locations the ability to accept in-store payments ("In-Store Payments") from Cardholders on their Accounts

on behalf of Bank. Retailer and Bank shall jointly develop additional procedures in the Operating Procedures with

respect to the manner in which such In-Store Payments shall be processed. Upon the implementation of Retailer's

ability to process In-Store Payments, the following terms and conditions shall apply:

(a) Retailer will receive and hold all In-Store Payments in trust for Bank.

18

(b) Retailer will accept and process all In-Store Payments in accordance with the Operating

Procedures.

(c) Retailer shall, as necessary, provide proper endorsements on such items.

(d) Bank shall grant to Retailer a limited power of attorney (coupled with an interest) to sign and endorse Bank's name upon any form of In-Store Payment that may have been issued in Bank's name in respect of any Account.

(e) Retailer shall notify Bank upon receipt of any In-Store Payment, indicate whether such In-Store Payment was made by cash or check and shall include the Charge Transaction Data related to such In-Store Payment in the net settlement in respect of the day immediately following such receipt on the same basis as other Charge Transaction Data.

(f) Retailer shall issue a receipt for each In-Store Payment in compliance with Applicable Law. If at any time, based upon either party's (the "Determining Party") good faith interpretation of Applicable Law, the Determining Party determines that, as a result of such Applicable Law, Retailer's acceptance of In-Store Payments is detrimental to the interests of the Determining Party, then, at the Determining Party's request, Retailers shall cease accepting In-Store Payments and shall direct Cardholders to make all payments in respect of Accounts directly to Bank.

7.15 Periodic Program Reports; Access to Cardholder Data.

(a) Bank will provide Retailer with the reports set forth on Schedule 7.15 hereto and any other reports as mutually agreed upon by the parties. (b) Bank will provide Retailer on a monthly basis with an updated copy of Cardholder data as

set forth on Schedule 7.15, including Cardholder contact information, financial information at the Cardholder level and such other information as set forth on Schedule 7.15, to the fullest extent allowed by Applicable Law.

(c) The specific form and content of any reports required to be made pursuant to this Section 7.15 shall be determined by Bank and Retailer, subject to Applicable Laws and Bank's available internal customer reporting capabilities as in effect on the Effective Date (as the same may be amended from time to time).

(d) Bank shall make such disclosures as are required or permitted by Applicable Law or Reasonable Financial Services Practices to enable Bank to provide the information described above to Retailer.

19

7.16 Service Level Standards.

(a) Bank shall comply with the individual service level standards ("Service Level Standards") set forth in Schedule 7.16; provided that for the ninety (90) day period following the launch of the PLCC Program, Bank shall use commercially reasonable efforts to comply with the Service Level Standards during such period, but Bank's performance during this period shall not apply for purposes

of determining any penalties or remedies set forth on Schedule 7.16. For the avoidance of doubt, the

Service Level Standards shall apply to both the Co-Brand Program and the PLCC Program following

the launch of the PLCC Program, including during the ninety (90) day period referred to above.

(b) During the Term, and subject to the provisions of Section 7.16(a) and Schedule 7.16 hereto, if Bank fails to meet any of the Service Level Standards for any calendar month, Bank shall take

the

actions described in Schedule 7.16.

(c) If, at any time during the Term, Retailer desires to implement a promotional or other marketing event or program which is reasonably likely to result in a ten percent (10%) increase in volume of calls to Bank from Cardholders and/or Retailer personnel during a given period of time (each, a "Planned Promotion"), Retailer shall provide Bank with thirty (30) days prior written notice

of such Planned Promotion (each, a "Planned Promotion Notice") specifying the type and term of the

Planned Promotion, together with the proposed starting date and time period during which such Planned Promotion will be in effect (as extended or shortened by Retailer following the date of the

applicable Planned Promotion Notice, the "Planned Promotion Period"). Following Bank's receipt of

any Planned Promotion Notice, if Retailer desires to alter (i) the Planned Promotion in a way which is

reasonably likely to increase or decrease by ten percent (10%) the volume of calls to Bank from Cardholders and/or Retailer personnel during the Planned Promotion Period or (ii) the Planned Promotion Period for the applicable Planned Promotion as specified in the Planned Promotion Notice,

Retailer shall notify Bank of such alteration not less than two (2) days prior to the commencement of

the Planned Promotion Period. The failure of Retailer to comply with any notice obligation set forth in

this Section 7.16(c) in respect of a Planned Promotion shall result, at the option of Bank, in all Cardholder and Retailer personnel calls during the applicable Planned Promotion Period being

deemed “Excluded Calls” for purposes of the Service Level Standards set forth on Schedule 7.16 hereto.

(d) Notwithstanding anything to the contrary in this Agreement or Schedule 7.16 hereto, in the event Bank does not comply with any Service Level Standard due to the failure or fault of Retailer or

Retailer’s third party service providers or a third party that is not a Bank Subcontractor under this Agreement (e.g., a telecommunications carrier), such lack of compliance shall not be deemed a failure

to meet a Service Level Standard for purposes of this Section 7.16 and Schedule 7.16 hereto.

(e) Bank shall designate an experienced, senior level client operations manager who shall be responsible for overseeing Bank’s compliance with the Service Level Standards and who shall serve

as the sole point of contact between Retailer and Bank to answer any questions or address concerns

regarding Bank’s compliance with the Service Level Standards.

207.17 Maintenance of Bank Webpage and Retailer Website; Fraud Prevention.

(a) The parties acknowledge that the infrastructure required for internet applications and purchases (to the extent Retailer develops the capability to offer such purchases during the Term),

(each, an “Internet Transaction”) is dynamic and agree to cooperate in implementing enhancements

and developments with respect to the operation and security of Internet Transaction processing under

the Program. During the Term, Retailer shall use reasonable efforts to conform the Retailer Website to

be reasonably compatible with the Bank Webpage and any payment authorization technology

selected

by Bank, and Bank shall provide to Retailer prior notification of planned changes in the Bank Webpage or such payment authorization technology to permit Retailer to make any required changes

in the Retailer Website; provided, however, that Bank shall cooperate with Retailer in an effort to minimize the costs and difficulty of any such changes to the Retailer Website.

(b) Retailer shall not permit any link to the Bank Webpage to exist (i) on the Retailer Website at any time other than during the Term, or (ii) on any internet website (other than the Retailer Website)

maintained, operated or controlled by Retailer or under any Retailer Mark.

(c) Retailer shall maintain and operate the Retailer Website so that all Internet Transactions processed through the Retailer Website, if any, will be transmitted on a secure basis which ensures,

among other things, that such information cannot be altered, viewed, or captured by an unauthorized

party. Bank agrees that the direct access medium or method used to store, present or transmit Internet

applications, terms and conditions, and/or Account information will be secured in a manner which ensures that such information cannot be altered, viewed or captured by an unauthorized party.

Retailer

and Bank agree to cooperate in a commercially reasonable manner by committing systems and other

resources, and by providing information with respect to the development, establishment and implementation of fraud mitigation strategies in connection with Internet Transactions. Retailer and

Bank further agree to use commercially reasonable efforts to implement such mitigation

strategies as

are developed from time to time.

(d) Retailer shall have the sole right to determine the design and content of the Retailer Website; provided, however that Bank shall have the right to approve: (i) the usage of Bank Marks on the Retailer Website, (ii) any terms and conditions and legal disclosures regarding the Program on the Retailer Website, and (iii) subject to Schedule 5.3(d), the look and feel of any advertising, marketing, or information regarding the Program on the Retailer Website.

(e) Until such time that Bank and Retailer agree that sales through the Retailer Website using the Co-Brand Credit Cards will be processed through the Direct Settlement Process, such sales shall

be deemed Non-Retailer Purchases and the Retailer Website will be deemed a Non-Retailer Location

for all purposes of this Agreement. If the parties agree to use the Direct Settlement Process for such

sales, such sales shall thereafter be deemed Co-Brand Purchases and the Retailer Website will be deemed a Retailer Sales Channel for all purposes of this Agreement. The parties acknowledge that the

Private Label Credit Cards will not be able to be used for purchases through the Retailer Website until

such time that functionality allowing settlement with Bank is enabled.

7.18 Interchange Regulation. If at any time there occurs a decline in the interchange rate received by Bank from the Association, the parties shall have the rights and obligations set forth on Schedule 7.18 hereto.

7.19 Store Closure. If at any time Retailer sells or closes a Store Location, the parties shall have the rights and obligations set forth on Schedule 7.19 hereto.

7.20 GOB; Bankruptcy.

(a) Retailer shall provide Bank with thirty (30) days prior written notice of any of the following (each a

“Significant Event”) (it being agreed that (x) any such notice shall constitute Confidential Information of Retailer

and be subject to the provisions of Section 15.1, (y) such requirement shall be subject to any conflicting requirement of a duly entered bankruptcy court order): (i) the public announcement of any closure of Store Locations that will

cause the number of existing Retailer Store Locations to fall below 150 Store Locations; (ii) public announcement of

any GOB Sale in connection with Retailer’s operations, which, following the completion thereof, will result in the

number of existing Stores falling below 105 Store Locations, or (iii) the filing in any bankruptcy case in which

Retailer is a debtor of any notice or motion relating to any matter described in clause (i) or (ii) (including a notice or motion under Bankruptcy Code sections 363 or 365).

(b) Bank shall have the right, but not the obligation, to take any or all of the following actions (in each

case in a manner not in violation of Applicable Law) if a Significant Event occurs under Section 7.20(a): (i) cease accepting new credit applications for Accounts; (ii) cease authorizing transactions on Accounts, (iii) cease accepting Charge Transaction Data for charges or credits (or both) on Accounts; (iv) request Retailer to cease performing Account look-ups; (v) subject to the limitations and conditions set forth in Schedule 11.4, liquidate or sell any or all Accounts other than to those competitor stores described in Schedule 11.4(1); or (vi) subject to the limitations and conditions set forth in Schedule 11.4, convert any or all Accounts to another credit or charge program maintained by Bank or any of its affiliates other than to those competitor stores described in Schedule 11.4(1). Without limiting the foregoing, if Retailer conducts a GOB Sale which is not an Authorized Liquidation Sale at any Store Location, as of the initiation of such GOB Sale, Bank shall have the rights set forth in clauses (i), (ii), (iii) and (iv) above with respect to such Store Location, or if such GOB Sale is an Authorized Liquidation Sale, the rights set forth in clause (i) above.

(c) Subject to Section 12.3, Retailer, or any licensee, subtenant, Liquidator, or other third party operating in, from or through any Retailer Sales Channel, shall not seek an authorization from Bank for a transaction on an Account in connection with a Prohibited Transaction or any GOB Sale which is not an Authorized Liquidation

Sale, and shall not submit to Bank any Charge Transaction Data on an Account arising from any Prohibited Transaction or any such GOB Sale which is not an Authorized Liquidation Sale. Any GOB Sale by Retailer, including any Authorized Liquidation Sale, whether or not approved by any court, shall comply with all federal, state and local laws and regulations concerning such sales.

22

(d) Retailer shall not enter into any agreement with a Liquidator (or solicit bids from a Liquidator for any agreement) that would permit the Liquidator to seek an authorization from Bank for a transaction on an Account in connection with a Prohibited Transaction, or to submit to Bank any Charge Transaction Data on an Account arising from any Prohibited Transaction. Any agreement between Retailer and a Liquidator shall expressly prohibit the Liquidator from seeking such authorizations from Bank and submitting such Charge Transaction Data to Bank.

For the avoidance of doubt, actions by a Liquidator in consulting with, or overseeing a GOB Sale which is an Authorized Liquidation Sale, and actions by a Liquidator in fulfilling such role shall not violate this provision.

(e) The parties acknowledge and agree that the rights of Bank under this Section 7.20, including the rights to receive notice under Section 7.20(a), are a material inducement to Bank to provide the Program and are

necessary for Bank to manage its credit and other risks in operating the Program. In addition to any other rights

Bank may have under this Agreement or Applicable Law, Bank shall be entitled to terminate this Agreement

immediately upon written notice to Retailer if there occurs a Significant Event or Retailer breaches any obligation

under this Section 7.20.

(f) The parties conclusively agree that, in the event of a filing under the Bankruptcy Code with respect

to Retailer, this Agreement is an executory contract under 11 U.S.C. § 365 and is not a financial accommodation or

an agreement to provide credit to Retailer. If requested by Bank, Retailer shall file a motion to assume this

Agreement within thirty (30) days following the filing of any voluntary petition for bankruptcy. Retailer agrees that

any failure to do so shall be “cause” for Bank to seek immediate relief from the automatic stay to seek any remedies,

including immediate termination of this Agreement. Retailer agrees to consent to such relief from the stay.

(g) Bank and Retailer further agree that in order to assume this Agreement, Retailer shall provide adequate assurance of future performance, and that the parties stipulate that the standard to be used to establish such

assurance shall include, but not be limited to, reasonable cash reserves, letter of credit, collateral or other similar

credit arrangements for reasonably foreseeable chargebacks, costs, and expenses which may arise from the

assumption and continued use of the Accounts, including any termination fees or repayment of any incentive bonus or similar obligation that may be required upon termination of the assumed Agreement.(h) Retailer further agrees that, within fifteen (15) days of any bankruptcy filing, to file an appropriate "first day motion" or other motion seeking court approval that will permit the settlement procedures for payment hereunder to continue in accordance with their terms. Retailer further agrees, at the request of the Bank, that it shall immediately seek any necessary court approval, as part of its first day motions, or otherwise, to ensure that all gift cards, to the extent offered by Retailer, are honored, returns are accepted in accordance with the standard return policy, warranties are honored, and any "reward" program certificates or coupons previously issued and not yet expired are honored, in the same manner as before any bankruptcy filing. The failure to seek such approval, and any failure to so honor gift cards, if applicable, warranties, unexpired reward program certificates or coupons issued or to accept returns, shall be deemed a material breach and an event of default and will entitle Bank to terminate this Agreement immediately and/or will constitute sufficient grounds for Bank to obtain an order compelling rejection of this Agreement.

(i) In the event that any bankruptcy court determines that this Agreement is a financial accommodation

or agreement to make a loan, then in such event the parties agree that any further performance hereunder by Bank

shall be deemed to be the providing of credit post petition under 11 U.S.C. §364 and Retailer may not require

further performance unless and until Retailer files an appropriate motion under 11 U.S.C. § 364 and agrees to

provide adequate protection for any losses arising hereunder, including but not limited to, the granting of an

administrative expense claim having, allowable under 11 U.S.C. § 503(b)(1), with priority over any and all

administrative expenses of the kind specified in section 503(b) or 507 of the Code; a lien on collateral not otherwise

encumbered; and inclusion of a reserve or budget item in any applicable debtor in possession financing, the posting

of a letter of credit to protect against losses from continuing to make post petition advances, including losses from

chargebacks or failure to pay any termination fees or repay any incentive bonus or similar obligation.

7.21 Sales Taxes and Related Record Retention. Retailer will pay when due any sales taxes relating to the

sale of goods or services financed on Accounts. Retailer agrees that Bank shall be not liable.

Retailer shall cooperate with Bank in making reasonable efforts to recover any and all such taxes in connection with actual charge offs, including executing any and all forms or other documentation reasonably necessary or required by any taxing authority, and timely producing all supporting documentation and data relative to such Accounts then in Retailer's possession; provided that the content and format of any data requested by Bank from Retailer shall be mutually acceptable to both parties. Retailer and Bank shall jointly gather the documentation and information necessary for them to pursue, analyze, file, defend and/or litigate sales tax refunds, deductions, credits and/or audit offsets arising from the charged-off Accounts; provided that (i) Retailer shall not be obligated to file any document in any state where it believes there is an unreasonable risk that such filing is not in conformance with requirements of Applicable Laws, (ii) Retailer shall not be obligated to commingle any filing for sales tax recapture with any other tax filings, and (iii) Bank shall provide Retailer with sufficient information to enable Retailer to respond, if needed, to any state tax audit (including information allowing Retailer to identify the transactions that are the subject of the tax filing). Each party shall bear its own costs in complying with this Section 7.21. Retailer shall provide necessary documentation when requested.

ARTICLE 8 — CHARGEBACKS

8.1 Chargeback Rights. Subject to the remaining Sections of this Article 8, Bank will have the right to chargeback to Retailer any Indebtedness pertaining to a PLCC Purchase or a Co-Brand Purchase if Bank is entitled under the Association Rules to affect such chargeback as a bankcard issuer or, if with respect to the corresponding charge or credit or the related Charge Transaction Data or the underlying transaction:

(a) The Cardholder disputes a charge and (i) Retailer cannot provide Bank with evidence of the terms of the charge that resolves the dispute (including the date of the charge, a masked or truncated Account number, products purchased and purchased amount) within twenty (20) days after Bank's request, or (ii) Bank determines that the merchandise was shipped to an address other than the then-current billing address for the Cardholder as reflected in Bank's records; provided, however, that any such dispute constitutes a bona fide claim presented by the Cardholder in good faith in the reasonable opinion of Bank; and, provided further, that Bank shall have no obligation to re-charge the Cardholder for a charge where Retailer could not provide Bank with evidence of the terms of the charge that resolves the dispute within the above-referenced twenty (20) day period, but Retailer subsequently locates or otherwise finds evidence of such terms;

(b) The Cardholder disputes the amount of an Account and/or refuses to pay alleging

dissatisfaction

with products or services received or failure to receive products or services, a breach of any warranty or

representation by Retailer in connection with the transaction, or an offset or counterclaim based on an act or

omission of Retailer, the product manufacturer or any third-party service provider, provided, however, that any such

dispute constitutes a bona fide claim presented by a Cardholder in good faith in the reasonable opinion of Bank;

(c) Retailer failed to comply with any Operating Procedure(s) with respect to any charge, credit, or

Account, or Bank determines in good faith that any charge, credit or Account was subject to any acts of fraud

performed by or in collusion with Retailer's and/or its affiliates' employees, contractors or agents;

(d) (i) The Cardholder asserts that the Cardholder or an authorized user did not make or authorize the

purchase in dispute; (ii) the Cardholder or any other person asserts that such person's name, social security number

or other identifying information was used to make any purchase (or to open an Account on which such purchase was

made) and that such person did not make or authorize the purchase or open the Account in dispute; or (iii) Bank

determines in good faith that a purchase was transacted or an Account was opened in a fraudulent manner; or

(e) Bank determines in good faith that any presentment warranty set forth on Schedule 8.1(e) hereof was

false or inaccurate in any respect when made.

8.2 Co-Brand Account Chargebacks. Bank shall have the right to charge back to Retailer any Indebtedness

on any Co-Brand Account (i) involving Retailer's employee fraud with respect to such Co-Brand Account, or

(ii) with respect to which Retailer did not comply with the Operating Procedures in opening an Account. Except as

provided in the preceding sentence, Bank shall have no chargeback rights against Retailer for any Non-Retailer

Purchases.

8.3 Settlement of Claims. In its reasonable discretion, after consultation with Retailer, Bank may compromise

and settle any claim made by any Cardholder (including claims made on behalf of an authorized user) relating to

such Cardholder's Account. No such compromise or settlement will impair Bank's right to chargeback under Article

8 any portion of such Account not paid pursuant to any such settlement or compromise. If the full amount or any

portion of any charge is charged back, Bank will assign, without recourse, all rights to payment for the amount

charged back to Retailer upon the request of Retailer.

8.4 Delivery of Materials Regarding Chargebacks. Retailer shall deliver to Bank any correspondence or

other materials reasonably requested by Bank, or otherwise required in connection with the processing of any

chargeback, via such electronic transmission mode as Bank shall designate.

CERTAIN CONFIDENTIAL INFORMATION CONTAINED IN THIS DOCUMENT, MARKED BY BRACKETS, HAS BEEN OMITTED AND FILED SEPARATELY WITH THE SECURITIES AND EXCHANGE COMMISSION PURSUANT TO RULE 24b-2 OF THE SECURITIES EXCHANGE ACT OF 1934, AS AMENDED.

8.5 Chargeback Process. Without limiting Bank's chargeback rights under the provisions of Section 8.1,

prior to effecting a chargeback pursuant to such Section, Bank shall employ its ordinary course dispute resolution

procedures applicable to chargebacks (which procedures will be no less favorable in any material respect to Retailer

than the dispute resolution procedures generally used by Bank with respect to its other private label and co-brand

program partners) to assess the claims of the Cardholder and Retailer's response thereto. Bank shall designate a

representative of Bank to facilitate such process, including working with Retailer in any case in which Retailer

reasonably believes the basis for a particular chargeback is invalid or has been corrected (in either case, based on

new or additional information not previously requested by Bank).ARTICLE 9 — EXCLUSIVITY

9.1 Exclusivity. The parties shall be bound by the exclusivity provisions set forth in Schedule 9.1 hereto.

ARTICLE 10 — TERM AND TERMINATION

10.1 Program Term. This Agreement shall commence upon the Effective Date and continue until the close of

business on September 30, 2018 (the "Initial Renewal Term"). The Agreement shall renew

automatically without

further action of the parties for successive one (1) year terms (each a "Renewal Term") unless either party provides

notice of termination at least one hundred and eighty (180) days prior to the expiration of the Initial Renewal Term

or current Renewal Term, as the case may be. The Initial Renewal Term and any subsequent Renewal Term are

collectively referred to herein as the "Term".

10.2 Termination of Agreement. Notwithstanding anything in Section 10.1 to the contrary, this Agreement

may be terminated prior to the end of any Term as provided below:

(a) If either party breaches any covenant or agreement contained in this Agreement, other than for a failure to meet (i) Service Level Standards, which shall be governed by Section 10.2(k), (ii) the

Minimum Credit Targets, which shall be governed by Section 10.2(l), or (iii) the Financial Covenants,

which shall be governed by Schedule 10.2(p) and Section 10.2(p), (x) which does not involve the payment of money to the other party hereto and such breach continues for a period of thirty (30) days

after the non-breaching party has given written notice of the breach, or (y) which involves the payment of money to the other party hereto and such breach continues for a period of five (5) days

after the non-breaching party has given written notice of the breach, then, in either case, the non-

breaching party shall have the right to terminate this Agreement. The foregoing clause (ii)

notwithstanding, the failure of a party to make a payment due hereunder shall not give rise to a

termination right in the other party if the amount which such party has failed to pay is less than \$4,848.00

and such party, acting in good faith, has delivered a written notice to the other party contesting its obligation to make such

payment. In any case, to be effective, a termination notice must be delivered within 170 days after the

expiration of the applicable notice periods. This Agreement will terminate 110 days after delivery of such

notice of termination.

(b) If any representation or warranty made by a party proves knowingly not to have been true and correct in all material respects as of the date when made, and such representation or warranty

materially affects the party's ability to perform under the Agreement, then the other party shall have

the right to terminate this Agreement. In order to be effective, the notice of termination must be delivered within 40 days after the date such other party first becomes aware that such representation or

warranty is not true and correct. This Agreement will terminate 50 days after delivery of such notice of termination.

(c) If a party (i) is no longer Solvent; (ii) generally does not pay its debts as such debts become

due, or admits in writing its inability to pay its debts generally; (iii) makes a general assignment for

the benefit of its creditors; (iv) has any proceeding instituted by or against it seeking to adjudicate it

bankrupt or insolvent or seeking liquidation, winding up, reorganization, arrangement, adjustment,

protection, relief, or composition of it or its debts under any law relating to bankruptcy, insolvency, or

reorganization or relief of debtors, or seeking the entry of an order for relief or the appointment of a

receiver, trustee, custodian or other similar official for it or for any substantial part of its property; or

(v) takes any corporate action which authorizes any of the actions set forth above in (i) through (iv) above, then the other party shall have the right to terminate this Agreement. In order to be effective, the notice of termination must be delivered within 20 days after such other party becomes aware

of the occurrence of such event; provided, that in the case of an occurrence under clause (iv), this Agreement shall terminate automatically unless the parties shall mutually agree in writing to continue

the Program. In any case in which notice is required for termination, this Agreement will terminate

upon delivery of such notice.

(d) If, with respect to Retailer, any of the following events occur, then Bank shall have the right to terminate this Agreement: (i) any person or group of persons acquires, after the date of this Agreement, beneficial ownership of fifty percent (50%) or more of the combined voting power of the

then outstanding voting securities of Retailer entitled to vote generally in the election of directors;

(ii) the stockholders of Retailer approve a reorganization, merger or consolidation (each a "Reorganization"), in each case through which the persons who were the respective beneficial owners

of the voting securities of Retailer immediately prior to such Reorganization do not beneficially own,

following such Reorganization, directly or indirectly, more than fifty percent (50%) of the combined

voting power of the then outstanding voting securities entitled to vote generally in the election of directors of the corporation, as a result of such Reorganization; or (iii) all or substantially all of the assets or property of Retailer are sold or otherwise disposed of in one transaction or series of related

transactions; provided that Bank's right to terminate this Agreement under clauses (i)-(iii) above shall

exist only if the surviving entity materially alters the Retailer Marks used at 20% or more of Store Locations, or that the surviving entity materially alters the merchandise mix in existence at such stores. In order to be effective, the notice of termination must be delivered within 160 days after Bank

becomes aware of the occurrence of such event. This Agreement will terminate 150 days after delivery of

such notice of termination.

1934, AS AMENDED.

(e) If a party is in default under any indenture or other instrument relating to any indebtedness for borrowed money in excess of \$593.00 and such default gives any person, either with or without notice and without giving effect to any extension of any grace period, the right to accelerate such indebtedness and such person does in fact accelerate such indebtedness, then the non-defaulting party hereunder shall have the right to terminate this Agreement. In order to be effective, the notice of termination must be delivered within 70 days after such non-defaulting party becomes aware of the occurrence of such event. This Agreement will terminate 140 days after delivery of such notice, unless the underlying default is cured during such 130 days period.

(f) If a material adverse change has occurred in the operations, financial condition, business or prospects of a party hereto, which the other party has reasonably determined, in good faith, has had, or is reasonably likely to have, a material adverse effect on the ongoing operation or continued viability of the Program, then the other party shall have the right to terminate this Agreement. In order to be effective, the notice of termination must be delivered within 60 days after the terminating party makes such determination. This Agreement will terminate 40 days after delivery of such notice of termination.

(g) Bank shall have the right to terminate this Agreement upon not less than 60 days prior written notice if at any time there is a CIL Decline, provided that Bank has first sought to engage Retailer in a

good faith renegotiation of the terms of this Agreement and the parties have not agreed within 130 days on

modifications sufficient to offset the effect of the CIL Decline, including any CIL Decline resulting from any new limits on Bank's rights and/or increased obligations under the Program resulting from

the applicable Change in Law. This Agreement will terminate 140 days after delivery of Bank's notice of

termination pursuant to this Section 10.2(g). Additional terms and conditions applicable to Bank's termination right under this Section are set forth on Schedule 10.2(g).

(h) If the increase made by Bank to the Credit Review Point does not satisfy the Retailer's good faith projections of Program growth pursuant to Section 7.6(a) or Bank declines to increase the Credit

Review Point then in effect pursuant to Section 7.6(b) then Retailer may terminate this Agreement. In

order to be effective, the notice of termination must be delivered within 40 days after Bank notifies Retailer

pursuant to Section 7.6. This Agreement will terminate 30 days after Retailer's delivery of such notice of

termination.(i) Either Bank or Retailer shall have the right to terminate the Agreement upon written notice to

the other party hereto, if the performance by the other party of its obligations under this Agreement is

prevented or materially impeded, without ability to cure, for a period of not less than 40 days by a Force

Majeure Event. Any such failure to perform shall not be considered a breach of this Agreement

(giving rise to a damage claim) if the disabled party promptly advises the other party in writing

that it

is unable to perform due to such a Force Majeure Event, setting forth: (i) the nature of the event;
(ii)

its expected effect(s) and duration; (iii) any expected development which may further affect
performance hereunder; and (iv) the efforts which will be made to cure such Force Majeure Event
or
provide substitute performance.

(j) Intentionally omitted.

(k) Retailer shall have the right to terminate the Agreement, if Bank fails to meet Service Level
Standards as provided in Schedule 7.16.

(l) Retailer shall have the right to terminate the Agreement, if Bank fails to meet the Minimum
Credit Targets set forth on Schedule 7.4(c)(1), as provided in Schedule 7.4(c).

(m) Intentionally omitted.

(n) If, with respect to Bank, any of the following events occur, then Retailer shall have the right
to terminate this Agreement: (i) any person or group of persons acquires, after the date of this
Agreement, beneficial ownership of fifty percent (50%) or more of the combined voting power of
the

then outstanding voting securities of Bank entitled to vote generally in the election of directors;
(ii) the

stockholders of Bank approve a reorganization, merger or consolidation (each a "Bank
Reorganization"), in each case through which the persons who were the respective beneficial

owners

of the voting securities of Bank immediately prior to such Bank Reorganization do not beneficially own, following such Bank Reorganization, directly or indirectly, more than fifty percent (50%) of the

combined voting power of the then outstanding voting securities entitled to vote generally in the election of directors of Bank, as a result of such Bank Reorganization; or (iii) all or substantially all of

the assets or property of Bank are sold or otherwise disposed of in one transaction or series of related

transactions; provided, however, that Retailer's termination right with respect to clauses (i), (ii) and

(iii) shall not apply to any transfer of ownership, Bank Reorganization or asset disposition where either GE Capital or General Electric Company owns or controls, directly or indirectly, fifty percent (50%) or more of the combined voting power of the then outstanding voting securities entitled to vote

generally in the election of directors of Bank or of any entity acquiring the ownership or assets of Bank as contemplated by clauses (i), (ii) or (iii). In order to be effective, the notice of termination must be delivered within 140 days after Retailer becomes aware of the occurrence of such event. This

Agreement will terminate 120 days after delivery of such notice of termination.

(o) Should an Annual ROI Shortfall occur, upon prior written notice ("Shortfall Notice") to Retailer, Bank shall have the right to

request that Retailer enter into good faith negotiations to change the financial terms of this Agreement

if the Rolling ROI for any Rolling ROI Measurement Period is less than the "Rolling ROI Minimum" (as defined on Schedule 10.2(o)) (an "Annual ROI Shortfall"). If Retailer and Bank have not agreed

within 140 days after Bank's delivery of the Shortfall Notice on changes to the financial terms of the Program that would have been necessary to reduce the Annual ROI Shortfall to zero during such Rolling ROI Measurement Period, then the terms and conditions set forth on Schedule 10.2(o) shall apply.

29

(p) Bank shall have the right to terminate the Agreement, if Retailer fails to meet the financial covenants set forth on Schedule 10.2(p) or shall otherwise fail to comply with the terms of Schedule

10.2(p).ARTICLE 11 — EFFECTS OF TERMINATION

11.1 General Effects.

(a) Upon any termination of this Agreement, the parties shall have any rights or remedies available to such party under this Agreement or in law or at equity. Upon such termination, all obligations of the parties under this Agreement shall cease, except that the provisions specified in Section 15.16 shall survive.

(b) All solicitations, marketing and advertising of the Program, other than acceptance of applications through Retailer Channels in the ordinary course of business consistent with past practice, shall cease either upon notice to Bank from Retailer of Retailer's intent not to purchase the Accounts following termination of this Agreement by either party or the failure of Retailer to make an election to purchase the Accounts prior to the expiration of the time period in which Retailer may provide notice to Bank of such election as set forth in Schedule 11.2, except as the parties may mutually

agree

upon. The parties shall continue to operate the Program and service the Accounts in good faith and in

the ordinary course of their respective businesses, subject to the terms of this Agreement, until the

provisions of Schedules 11.2, 11.3 and 11.4 are satisfied. The parties shall cooperate to ensure the

orderly wind-down or transition of the Program.

(c) Except as set forth in Schedule 7.18, any termination of this Agreement shall apply to both the PLCC Program and the Co-Brand Program and neither Bank nor Retailer shall have the right to terminate the PLCC Program or the Co-Brand Program separately.

11.2 Purchase of Accounts by Retailer upon Termination. Upon notice of termination of this Agreement

by either party, Retailer shall the right to purchase, or to arrange for the purchase, of not less than all the Program

Assets in accordance with Schedule 11.2 hereto.

11.3 Determination of Fair Market Value. In the event this Agreement terminates and Retailer notifies Bank

that it, or its Nominated Purchaser, shall purchase the Program Assets, the parties shall determine the fair market

value thereof in accordance with Schedule 11.3 hereto.

11.4 Bank's Rights If Retailer Does Not Purchase Accounts. If Retailer does not exercise its option to

purchase, or arrange for the purchase, of the Program Assets pursuant to Section 11.2 and Schedule 11.2, Bank shall

have the rights set forth in Schedule 11.4.

11.5 Limitation on Retailer's Right to Purchase Accounts. Notwithstanding anything in this Agreement, if

(a) a Significant Event shall have occurred and the Agreement expires or is terminated, or (b) this Agreement is

terminated in any manner other than as provided in Article 10, Bank's rights under Schedule 11.4 shall

apply; provided that, subject to the exercise by Bank of any of Bank's rights pursuant to Schedule 11.4 (including

the right to

30

convert any or all of the Accounts to another credit or charge program subject to the restrictions therein), Retailer

shall have the right to purchase or arrange for the purchase of the Accounts (other than Accounts that have been

written-off by Bank) on the terms and conditions set forth in Schedule 11.2 except as follows:

(i) The purchase price for the Accounts shall be equal to the sum of (1) the Unamortized Signing Bonus and (2) one hundred percent (100%) of the Aggregate Outstanding Indebtedness relating to such Accounts as of the date of purchase.

(ii) Retailer or the Nominated Purchaser shall request the information with respect to the Program Assets pursuant to Section 5(e) of Schedule 11.2 within thirty (30) days following the earlier of (a) the date on which the Agreement terminates or expires and (b) the date either party receives written notice of termination of the Agreement.

(iii) The Exercise Notice shall be delivered to Bank no later than sixty (60) days (less the number of days beyond five (5) days that Retailer or the Nominated Purchaser requests the information regarding the Program Assets following the date referred to in

(ii) above) after the receipt of such information.(iv) Retailer or the Nominated Purchaser must

complete the purchase as soon as

reasonably practicable but in no event later than within ninety (90) days after the delivery of the Exercise Notice.

(v) Commencing upon the receipt by Bank of a binding commitment (reasonably satisfactory to Bank) through which a Nominated Purchaser has agreed to purchase the Accounts from Bank on the terms set forth in clauses (i)-(iv) above, Bank shall not sell any of the Accounts in accordance with Schedule 11.4 (it being understood and agreed that Bank shall have the right to sell the Accounts in accordance with Schedule 11.4 if the sale to the Nominated Purchaser has not been completed within the time period set forth in clause (iv) above).

(vi) If at any time prior to delivery of the binding commitment referred to in clause (v) above, Bank shall enter into a binding commitment to sell the Accounts to a third party in accordance with Schedule 11.4, Retailer's (or its Nominated Purchaser's) right to purchase such Accounts pursuant to this Section 11.5 shall immediately expire.

(vii) The Accounts purchased by Retailer or the Nominated Purchaser in accordance with clauses (i)-(iv) above shall not include any Account sold by Bank pursuant to Schedule 11.4 prior to the date of Retailer entering into the binding commitment referred to in clause (v) above or converted by Bank in accordance with Schedule 11.4.

(viii) Notwithstanding clause (vi) above: (x) Bank shall use reasonable efforts to notify Retailer upon the commencement of any negotiations

31

between Bank and a third party regarding the sale of such Accounts pursuant to this Section 11.5 which Bank deems reasonably likely to result in a sale transaction and

(y) prior to entering into a binding commitment for such sale, Bank shall provide Retailer notice that Bank and such third party are close to finalizing the terms of a sale,

and Retailer shall have the right, but not the obligation, to present to Bank no later than five (5) Business Days following receipt of such notice, a viable alternate purchaser for the Accounts (it being agreed that Bank is under no obligation to enter into a binding commitment with either the third party engaged by Bank or any alternate purchaser presented by Retailer); provided, however, that Retailer shall use good faith efforts to notify Bank as soon as possible after the initial notice if Retailer does not plan on pursuing an alternate purchaser and as soon as possible following the second notice if they do not think they will be able to find a viable purchaser in such five (5) Business Day period.

ARTICLE 12 — REPRESENTATIONS AND WARRANTIES

12.1 Representations and Warranties. Each party makes the following representations and warranties to the

other party as of the date of this Agreement, and Retailer makes such representations and warranties on and as of

each date on which Charge Transaction Data is transmitted to Bank:

(a) Such party is duly organized, validly existing, and in good standing under the laws of its state of incorporation or organization, as the case may be;

(b) Such party has the requisite organizational power and authority to conduct its business as presently conducted and hereafter contemplated to be conducted and to execute, deliver and perform

this Agreement;

(c) This Agreement has been duly executed and delivered by such party, and constitutes the legal, valid, and binding obligation of such party, enforceable against such party in accordance with its terms;

(d) The execution and delivery of this Agreement by such party and the consummation of the

transactions contemplated hereby do not and will not (i) conflict with the organizational documents of

such party, (ii) conflict with, or result in a breach of any provisions of, or constitute a default (or an event which, with notice or lapse of time or both, would constitute a default) under any material

agreement of such party; or (iii) constitute a violation of any material order, judgment or decree to

which such party is bound. No consent, approval, permit, waiver, authorization, notice or filing is required to be made or obtained in connection with the execution, delivery and performance by such

party of this Agreement; and

(e) All information furnished by such party to the other for purposes of or in connection with this Agreement is true and correct in all material respects and no such information omits to state a

material fact necessary to make the information so furnished not misleading. Except as disclosed to

the other party, there is no fact known to such

32

party (including, without limitation, threatened or pending litigation) that could materially and adversely affect the financial condition, business, property, or prospects of such party.

12.2 Continuity of Retailer Business. Retailer represents and warrants that it will continue to sell the type of

goods and services generally similar to those sold by Retailer as of the Effective Date and Retailer further

acknowledges that Bank's obligation to continue to extend credit under the Program is contingent on the continuing

validity of this representation and warranty. Notwithstanding anything herein to the contrary, Retailer shall be in compliance with the requirements of this Section if Retailer expands its business to include new and unrelated products or services provided that such new products or services do not materially adversely affect the Program. In the event Bank reasonably determines in its sole discretion that an expansion of Retailer's business as contemplated hereunder has or will have a material adverse effect on the Program, the parties agree to negotiate in good faith to modify the terms of the Program to address the expansion in Retailer's business.

12.3 Operation of Store Locations. Retailer represents and warrants as of the date of this Agreement and throughout the Term of the Agreement, that ZALES JEWELERS, Inc. owns and operates (or leases and operates) all Store Locations and all other Retailer Sales Channels except to the extent provided in Section 15.3; provided, however, that sub-leasing or other arrangements with respect to certain areas within Store Locations (such as the shoe departments or fragrance departments) to third parties (each a "Third Party Participant") for operation of such departments shall not violate this provision. Except for Third Party Participants, Retailer will not permit any licensee, subtenant or third party operating in or from a Store Location to accept Credit Cards for purchases by Cardholders. With respect to each Third Party Participant, Retailer acknowledges and agrees that

(x) it shall be

responsible for all acts and omissions of such Third Party Participant in connection with the Program (and each of

the sub-sections of Section 13.1 shall apply to each Third Party Participant as if such Third Party Participant and

Retailer were one and the same), (y) it shall otherwise ensure that such Third Party Participant complies with the

terms and conditions of this Agreement applicable to Retailer, and (z) any failure of any Third Party Participant to

comply with such terms and conditions shall be deemed to be a breach by Retailer hereunder (subject to any notice

or cure rights that would be applicable to Retailer hereunder) to the same extent as if Retailer had directly breached

this Agreement, and shall be subject to the same rights and remedies (including indemnification) of Bank as

provided for herein. Without limiting the foregoing, all sales of goods and services by Third Party Participants

financed on Accounts shall be treated as a sale of goods and services from Retailer under this Agreement and all

such sales, and any related credits or other adjustments, shall be (x) settled between Bank and Retailer pursuant to

Section 3.1 and (y) subject to the chargeback provisions of Article 8.

ARTICLE 13 — INDEMNIFICATION

13.1 Indemnification by Retailer. Retailer agrees to indemnify and hold harmless Bank, its affiliates, and

their respective employees, officers, directors, agents and licensees, from and against any and all

Damages to the

extent such Damages arise out of or result from:

(a) Any breach by Retailer of any of the terms, covenants, representations, warranties or other provisions contained in this Agreement;

33(b) Any products or services sold by Retailer or its licensees (including, without limitation, any failure to provide the service as promised, any product defects, or product liability or warranty claims relating thereto);

(c) Any act or omission, where there was a duty to act, by Retailer or its employees, officers, directors, agents or licensees (including any assignee or delegatee of Retailer contemplated by Section 15.3) including without limitation, the failure of Retailer to comply with any law, rule or regulation applicable to Retailer;

(d) Any advertisements, solicitations or other promotions of the Program or of goods or services eligible for purchase under the Program conducted by or on behalf of Retailer (excluding those conducted by Bank);

(e) The acquisition by Retailer from Bank, in connection with a charge or credit to an Account, of a Cardholder's Account number by telephone or by some other means;

(f) Bank's use of the Retailer Marks in accordance with the terms of this Agreement;

(g) Any activities, acts or omissions of any third party to whom Cardholder Information is transferred or made available by or on behalf of Retailer, including without limitation, information transferred or made available to a third party by Bank at Retailer's express request (including requests

that require ongoing, periodic transfers by Bank on Retailer's behalf); or

(h) The Cardholder Rewards Program, except for any act or omission where there was a duty to act by Bank in connection with its administration of the Cardholder Rewards Program.

The foregoing indemnity obligation of Retailer shall not apply to any Damages of Bank to the

extent caused by the

gross negligence, willful misconduct or illegal acts of Bank.

13.2 Indemnification by Bank. Bank agrees to indemnify and hold harmless Retailer, its affiliates, and their

respective employees, officers, directors and agents, from and against any and all Damages to the extent such

Damages arise out of or result from:

(a) Any breach by Bank of any of the terms, covenants, representations, warranties or other provisions contained in this Agreement;

(b) Any act or omission, where there was a duty to act, by Bank or its employees, officers, directors, or agents (including any assignee or delegatee of Bank contemplated by Section 15.3), including without limitation, the failure of Bank to comply with any law, rule or regulation applicable

to Bank;

(c) Any failure of the form of credit applications or Cardholder Agreements as prepared by Bank or Bank's activities in administering the Program to comply with the Consumer Credit Protection Act, the Truth in Lending Act, the Fair Debt Collection

34

Practices Act, the Equal Credit Opportunity Act, the Fair Credit Billing Act, the Fair Credit Reporting

Act or other Applicable Laws or the regulations implementing each of them;

(d) Any advertisements, solicitations or other promotions by or on behalf of Bank (other than those conducted by Retailer) of the Program;

(e) Any activities, acts or omissions of any third party to whom Cardholder Information is transferred or made available by or on behalf of Bank; or

(f) Retailer's use of Bank's business name (or any of Bank's related marks, logos or similar

proprietary designations, to the extent permitted herein) in accordance with the terms of this Agreement.

(g) Claims for indemnity against Retailer asserted by a person indemnified by Retailer under the Association rules or Association application for claims arising in connection with the Program if such

claims are not based, and to the extent such claims are not based, on actual or alleged actions or inactions by Retailer in breach of its obligations under this Agreement or the Association rules or Association application.

(h) Any Enhancement Products offered by Bank to Cardholders. The foregoing indemnity obligation of Bank shall not apply to any Damages of Retailer to the extent caused by the gross negligence, willful misconduct or illegal acts of Retailer.

13.3 Indemnification Procedures.

(a) A party entitled to indemnification will give prompt written notice to the indemnifying party of any claim, assertion, event, condition or proceeding by any third party concerning any liability or

damage as to which it may request indemnification under this Article 13. The failure to give such notice will not relieve the indemnifying party from liability hereunder unless and solely to the extent

the indemnifying party did not know of such third party claim and such failure results in the forfeiture

by the other party of substantial rights and defenses.

(b) An indemnifying party will have the right, upon written notice to the indemnified party, to conduct at its expense the defense against such third party claim in its own name, or, if necessary, in

the name of the indemnified party. When the indemnifying party assumes the defense, the indemnified

party will have the right to approve the defense counsel and the indemnified party will have no liability for any compromise or settlement of any third party claim that is effected without its prior written consent (such consent not to be unreasonably withheld), unless the sole relief provided is monetary damages that are paid in full by the Indemnifying Party and such compromise or settlement

includes a release of each indemnified party from any liabilities arising out of the third party claim. If

the indemnifying party delivers a notice electing to conduct the defense of the third party claim, the

indemnified party will, at the indemnifying party's expense, cooperate with and make available to the

indemnifying party such assistance, personnel, witnesses and materials as the indemnifying party may

reasonably

35

request. If the indemnifying party does not deliver a notice electing to conduct the defense of the third

party claim, the indemnified party will have the sole right to conduct such defense and the indemnified

party may pay, compromise or defend such third party claim or proceeding at the indemnifying party's

expense. Regardless of which party defends the third party claim, the other party will have the right at

its sole expense to participate in the defense assisted by counsel of its own choosing.

ARTICLE 14 — AUDIT / ACCESS

14.1 Audit. Once a year or at any time that a party disputes the amount of any material monies

owed by either

party to the other hereunder, such party, at its sole cost and expense and upon reasonable prior notice to the other

party, may conduct an audit of those of the other party's records that are under the control and/or direction of the

other party and relate to the Program or can be reasonably segregated. Such audit shall be conducted during normal

business hours in accordance with generally accepted auditing standards and the auditing party shall employ such

reasonable procedures and methods as necessary and appropriate in the circumstances, minimizing interference with

the audited party's normal business operations. The audited party shall use reasonable commercial efforts to

facilitate the auditing party's review, including making reasonably available such personnel of the audited party to

assist the auditing party as reasonably requested. The audited party shall deliver any document or instrument

reasonably necessary for the auditing party to obtain such records from any person maintaining records for the

audited party and shall maintain records pursuant to its regular record retention policies. For purposes of this

provision, the audited party also shall be required to provide records relating to the Program held by persons

performing services in connection with the Program at the auditing party's request. Notwithstanding the generality

of the foregoing, however, a party shall not be required to provide access to records to the extent

that (a) such access

is prohibited by Applicable Laws, (b) such records are legally privileged, (c) such records are company planning

documents of such party or any of its affiliates, operating budgets (unless such records relate solely to the Program),

management reviews or employee records, and (d) such records relate to other customers or operations of such party

other than the Program or to personnel records not normally disclosed in connection with audits.

14.2 Access. Retailer will permit Bank's representatives to visit Retailer stores during normal business hours

with reasonable advance notice. Retailer also authorizes Bank, at Bank's expense, to monitor administration and

promotion of the Program through mystery shopping and by other reasonable means. Retailer will allow access to its

stores and/or records relating to the Program to Bank's regulators to the extent such access is requested by Bank's

regulators.ARTICLE 15 — MISCELLANEOUS

15.1 Confidentiality.

(a) All material and information supplied by one party to another party under this Agreement, including, but not limited to, information concerning a party's marketing plans, objectives or financial

results ("Confidential Information"), is confidential and proprietary. All such information will be used

Agreement. Each party will

may be agreed upon in writing by the party providing such Confidential Information; (iii) in the case
of Bank to an affiliate of Bank or in the case of Retailer, to an affiliate of Retailer; (iv) to the extent
necessary, in exercising or enforcing its rights; or (v) as required by law. Each party will use its reasonable best efforts to ensure that its respective officers, employees, and agents take such action as
will be necessary or advisable to preserve and protect the confidentiality of Confidential Information.

Upon written request after the Final Liquidation Date, each party will destroy or return to the party
providing such Confidential Information all such Confidential Information in its possession or control,
provided, however, Bank or Retailer may retain a copy of any such Confidential Information it reasonably determines it must maintain to satisfy Applicable Law or any regulatory authority. Confidential Information will not include information in the public domain and information lawfully obtained from a third party.

(b) Section 15.1(a) to the contrary notwithstanding, if Retailer is obligated to file periodic reports with the Securities and Exchange Commission, then Retailer shall have the right to file a copy
of this Agreement with the applicable commission or governmental agency to the extent necessary, in

Retailer's reasonable opinion, to comply with any applicable disclosure laws or regulations (including any reporting requirement of the Securities Exchange Commission), or any listing requirement of any stock exchange, including NASDAQ, applicable to Retailer; provided, that Retailer shall (i) notify Bank in writing not less than thirty (30) days prior to any such filing of this Agreement (or such shorter period as is required to permit Retailer to comply with applicable SEC rules); (ii) redact or move to schedules such terms of this Agreement as Bank may reasonably request prior to any such filing; and (iii) file a confidential treatment request reasonably acceptable to Bank with respect to such redacted document as part of any such filing.

15.2 Binding Effect. This Agreement is binding upon and inures to the benefit of the parties hereto and their respective successors and permitted assigns.

15.3 Assignment. Neither Bank nor Retailer may assign its rights or delegate its obligations under this Agreement without the prior written consent of the other party except as set forth in Schedule 15.3 hereto.

15.4 Outsourcing; Subcontracting. Bank and Retailer may outsource or subcontract their respective obligations under the Program as set forth in Schedule 15.4 hereto.

15.5 Governing Law. Except to the extent superseded by federal law applicable to banks or savings associations, this Agreement and all rights and obligations hereunder, including, but not limited to, matters of

construction, validity and performance, shall be governed by and construed in accordance with the laws of the State

of Delaware. THE PARTIES HERETO WAIVE THEIR RIGHT TO REQUEST A TRIAL BY JURY IN ANY SUIT, ACTION OR PROCEEDING IN ANY COURT OF LAW, TRIBUNAL, OR OTHER LEGAL PROCEEDING ARISING OUT OF OR INVOLVING THIS AGREEMENT, OR ANY DOCUMENT DELIVERED IN CONNECTION HEREWITH, OR RELATING TO ANY OF THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY.

37

15.6 Privacy.(a) Retailer and Bank will only use, maintain and/or disclose Cardholder Information in

compliance with all applicable privacy and security laws and with the policies set forth in Schedule

7.2 and this Section 15.6 and related disclosures made by Bank (collectively, the “Bank Privacy Disclosures”), and each will ensure that persons to whom it transfers Cardholder Information do the

same. Retailer acknowledges that it is subject to the reuse and redisclosure provisions of the Gramm-

Leach-Bliley Act (the “Gramm-Leach-Bliley Act” as defined in Title V, Subtitle A of 15 U.S.C. 6801 et seq. (as it may be amended from time to time) and the implementing privacy and security regulations issued pursuant to the Gramm-Leach-Bliley Act (as the same may be amended from time

to time)), and that it will ensure that Cardholder Information received from the other party is used only

as permitted by the terms of this Agreement, including but not limited to Section 6 of Schedule 7.2 and 7.8 and for no other purpose. Bank will ensure that Cardholder Information obtained by Bank

is used only as permitted by the terms of this Agreement.

(b) Retailer and Bank will each establish and maintain appropriate administrative, technical and physical safeguards to protect the security, confidentiality and integrity of the Cardholder Information.

These safeguards will be designed to comply with Applicable Law and to protect the security, confidentiality and integrity of the Cardholder Information, ensure against any anticipated threats or

hazards to its security and integrity, and protect against unauthorized access to or use of such information or associated records which could result in substantial harm or inconvenience to any Cardholder or applicant.

(c) Retailer and Bank will each ensure that any third party to whom it transfers or discloses Cardholder Information signs a written contract with the transferor in which such third party agrees to

(i) restrict its use of Cardholder Information to the use specified in the written contract; (ii) to comply

with all Applicable Laws (including, without limitation, privacy and security laws and the reuse and

redisclosure provisions of the Gramm-Leach-Bliley Act) and the Bank Privacy Disclosures, and

(iii) implement and maintain appropriate safeguards as stated in paragraph (b) above. Information

transferred by Bank on Retailer's behalf and at Retailer's express direction (including requests that

require ongoing, periodic transfers by Bank on Retailer's behalf) will be considered information

transferred by Retailer hereunder. Retailer agrees to transfer or make available to third parties only

such Cardholder Information as is reasonably necessary to carry out the contemplated task.

(d) Retailer and Bank shall notify the other party immediately following discovery or notification of any actual or threatened breach of security of the systems maintained by the Retailer and Bank, respectively. The party that suffers the breach of security (the “Affected Party”) agrees to take action immediately, at its own expense, to investigate the actual or threatened breach, to identify and mitigate the effects of any such

38

breach and to implement reasonable and appropriate measures in response to such breach. The Affected Party also will provide the other party with all available information regarding such breach to assist that other party in implementing its information security response program and, if applicable, in notifying affected Cardholders. For the purposes of this subsection (d), the term “breach of security” or “breach” means the unauthorized access to or acquisition of any record containing personally identifiable information relating to a Cardholder, whether in paper, electronic, or other form, in a manner that renders misuse of the information reasonably possible or that otherwise compromises the security, confidentiality, or integrity of the information.

(e) Notwithstanding anything else contained in this Agreement, neither Bank nor Retailer will, and neither of them will be obligated to, take any action that either of them believes in good faith would violate, or is reasonably likely to cause either of them to violate, any Applicable Law (including, without limitation, privacy and security laws and the reuse and redisclosure provisions of

the Gramm-Leach-Bliley Act) or the Bank Privacy Disclosures, or that would cause either of them to become a “consumer reporting agency” for purposes of the federal Fair Credit Reporting Act, as it may be amended from time to time.

(f) Retailer and Bank, respectively, will use reasonable measures designed to properly dispose of all records containing personally identifiable information relating to Cardholders, whether in paper, electronic, or other form, including adhering to policies and procedures that require the destruction or erasure of electronic media containing such personally identifiable information so that the information cannot practicably be read or reconstructed.

(g) Notwithstanding anything else contained in this Agreement, Retailer acknowledges and agrees that it shall not be entitled to obtain any personally identifiable, non-public, personal information regarding Non-Retailer Purchases and other transactions at Non-Retailer Locations. Bank

may, in its sole discretion, provide Retailer with aggregate, non-personally identifiable information regarding Non-Retailer Purchases and other transactions involving the use of a Co-Brand Credit Card.

In the event Retailer obtains any personally identifiable non-public, personal information regarding such Non-Retailer Purchases or other transactions at Non-Retailer Locations or otherwise, the use and safeguarding of such information by Retailer shall be governed by this Section 15.6 and Section 7.2 hereof.

15.7 No Third Party Beneficiaries. Except as otherwise expressly set forth in this Agreement, this Agreement does not confer upon any person, other than the parties, any rights or remedies under this Agreement.

15.8 Amendments. This Agreement may not be amended except by written instrument signed by Retailer and Bank.

15.9 No Partnership. Nothing contained in this Agreement will be construed to constitute Retailer and Bank as partners, joint venturers, principal and agent, or employer and employee.

39

15.11 Incorporation of Appendices. Each of the Appendices attached hereto is hereby incorporated by reference.

15.12 Nonwaiver; Remedies Cumulative; Severability. All remedies are cumulative and not exclusive, and

no delay in exercising a right will be deemed a waiver thereof. If any provision of this Agreement is held to be

invalid, void or unenforceable, all other provisions will remain valid and be enforced and construed as if such

invalid provision were never a part of this Agreement.

15.13 Damages Waiver. Notwithstanding anything to the contrary in this Agreement, Bank and Retailer shall

consequential or other damages relating to prospective profits, income, anticipated sales or investments, or goodwill,

or for any punitive or exemplary damages; provided, that the damages limitation set forth in this Section 15.13 shall not apply to any Damages arising out of the failure of the parties under

which result from an obligation of Bank or Retailer to pay any third party damages claims to the extent such third

party claims otherwise fall under Bank's or Retailer's respective indemnity obligations hereunder.

this Agreement) is the entire agreement of the parties with respect to the

40

subject matter of this Agreement and supersedes all other prior understandings, writings and agreements whether

written or oral, including, without limitation, the Prior Agreement and all amendments thereto.

Without limiting the

indebtedness and related account documentation, and each party's rights and obligations with respect thereto, shall

be governed by the provisions of this Agreement, including, without limitation, the termination provisions set forth

in Article 10, and the indemnification provisions of Article 13.

15.15 Further Assurances. Retailer and Bank agree to execute all such further documents and instruments

and to do all such further things as any other party may reasonably request in order to give effect

to and to

consummate the transactions contemplated by this Agreement.

15.16 Survival.

Laws including any changes or amendments thereto and either party may take any actions that it in good faith

believes are appropriate and are required by then Applicable Law or the direction of any regulatory authority or, in

Bank's case, to prevent the occurrence of an "unsafe or unsound" banking practice (as defined in 12 U.S.C. § 1818,

as may be amended).

counterparts, all

of which will constitute but one and the same original.

2. During the Term of this Agreement, Bank will make the following standard minimum allocations to the

Marketing Fund: i. \$123,524.00; and ii. \$996,876.00.

3. Bank will be the exclusive owner of the Marketing Fund, and Retailer acknowledges and agrees that it will

have no right, title or interest in or to the Marketing Fund except to enforce the terms of this Agreement relating to

the use of such funds. Any amounts previously allocated to the Marketing Fund but not spent as of the end of any Program Year shall carry forward as part of the Marketing Fund for the subsequent Program Year(s). Any amounts previously allocated to the Marketing Fund but not used as of the date when the Agreement terminates, may be withdrawn and retained by Bank for its own account without obligation to account therefor to Retailer. For clarity, any amounts allocated to the "Marketing Fund" established under the Prior Agreement shall be allocated to the Marketing Fund created hereunder.

4. The out-of-pocket cost and expenses, as set forth in Schedule 6.2(e) to the Agreement, of all marketing promotions provided for in the Marketing Plan will be reimbursed out of any then available funds in the Marketing Fund as determined by the Operating Committee. carry forward as part of the Marketing Fund for the second Program Year, but not in any subsequent Program Year.

Cardholders (or arrange for a third party to solicit and/or provide), by means of solicitations the form of which is

"Enhancement Products"):

Privacy Disclosure as well as Retailer's privacy policies and contact management policies with regard to Retailer's

Preferred Customers and Retailer employees.

6. In the event the parties mutually agree that the cross-selling of credit card debt cancellation or credit

(including, without limitation, names, addresses, telephone numbers, e-mail addresses, dates of birth, social security

and similar numbers, and account and similar access numbers) (the “Cardholder Information”).

2. During the Term, Bank may capture information regarding: (i) specific purchases by individual Cardholders

at Retailer Sales Channels (“Store Transaction Information”); and/or (ii) information regarding

general buying habits by Cardholders at Non-Retailer Locations ("Outside Buying Information").

Store Transaction Information

shall be co-owned by Bank and Retailer, and shall be provided to Retailer (to the extent Bank maintains such information) within a reasonable time after Retailer's request therefor. Bank shall also work with Retailer to provide Retailer with the benefit of the Outside Buying Information, either by providing such information to Retailer, or by conducting or collaborating with Retailer on mailings to targeted Cardholder segments (for instance, making a luggage offer to a list of Cardholders who may be frequent travelers). All activities described in this paragraph shall be subject to Applicable Law and the Privacy Policy. Notwithstanding the foregoing, Bank shall only use such information as specified in Section 4 of this Schedule 7.2 and Retailer shall only use such information as set forth in Section 6 of this Schedule 7.2. For purposes of this Agreement, Store Transaction Information and Outside Buying Information shall collectively be referred to as "Transaction Information."

3. The Privacy Policy applicable to the Cardholder Information and Transaction Information is attached as Schedule 7.2(b) hereto. Subject to Section 2 of Schedule 5.3(d), any modifications to the Privacy Policy shall be approved by the Operating Committee; provided that the Privacy Policy shall comply with Applicable Law at all times; and provided further, that the Privacy Policy shall provide Retailer and its affiliates with the

maximum

availability and use of Cardholder Information and Transaction Information.

4. During the Term, Bank shall not use, or permit to be used, the Cardholder Information or Transaction

Information, except as provided in this Schedule 7.2. Bank may use such information in compliance with Applicable

Law and the Privacy Policy solely (i) for purposes of soliciting or marketing (as provided in this Agreement) or

servicing customers listed in the Cardholder Information for Credit Cards, Debt Cancellation Programs,

Enhancement Products, and any other products and services approved by the Operating Committee, (ii) as otherwise

necessary to carry out its obligations or exercise its rights hereunder; (iii) with respect to the administration and

liquidation (including any conversion or sale) of Accounts after the expiration or earlier termination of the Term; or

(iv) as required by Applicable Law or Bank's internal risk management purposes. Bank has no rights to use the

Cardholder Information or Transaction Information for marketing purposes except as expressly provided herein.

5. Bank shall not disclose, or permit to be disclosed, the Cardholder Information or Transaction Information,

except as provided in this Schedule 7.2. Bank shall not, directly or indirectly, sell or otherwise transfer any right in

or to the Cardholder Information or Transaction

Information other than to Retailer or one of its affiliates. Bank may disclose the Cardholder Information or

Transaction Information in compliance with Applicable Law and the Privacy Policy solely:

(a) to its authorized subcontractors in connection with a permitted use of such information under this Schedule 7.2, provided that each such authorized subcontractor agrees in a written agreement

reasonably satisfactory to Bank to maintain all such information as strictly confidential and not to use

or disclose such information to any Person other than Bank or Retailer, except as required by Applicable Law or Governmental Authority (after giving Bank, who shall in turn promptly give to Retailer, prior notice and an opportunity to defend against such disclosure); provided, further, that

each such authorized subcontractor maintains, and agrees in writing to maintain, an information security program that is designed to meet all requirements of Applicable Law, including, at a minimum, maintenance of an information security program that is designed to: (A) ensure the security

and confidentiality of such information; (B) protect against any anticipated threats or hazards to the

security or integrity of such information; (C) protect against unauthorized access to or use of such information; and (D) ensure the proper disposal of such information; and provided, further, that each

such authorized subcontractor of Bank agrees to promptly notify Bank, who shall in turn promptly notify Retailer, of any unauthorized disclosure, use, or disposal of, or access to, such information and

to cooperate with Bank and Retailer in any investigation thereof and remedial action with respect thereto;

(b) to its affiliates, and its and such affiliates' employees, attorneys and accountants with a need to know such information in connection with a permitted use of such information under this Schedule 7.2; provided that (A) any such Person is bound by terms substantially similar to this Schedule 7.2 as a condition of employment or of access to such information or by professional obligations imposing comparable terms; and (B) Bank shall be responsible for the compliance by each such Person with the terms of this Schedule 7.2;(c) to any Governmental Authority with authority over Bank (A) in connection with an examination of Bank; or (B) pursuant to a specific requirement to provide such information by such Governmental Authority or pursuant to compulsory legal process; provided that Bank seeks the full protection of confidential treatment for any disclosed Cardholder Information or Transaction Information to the extent available under Applicable Law governing such disclosure, and with respect to clause (B), to the extent permitted by Applicable Law, Bank (1) provides at least ten (10) Business Days' prior notice of such proposed disclosure to Retailer if reasonably possible under the circumstances, and (2) seeks to redact such information to the fullest extent possible under Applicable Law governing such disclosure; or

(d) to the extent permitted in the risk management policies for the Program and Operating Procedures, to any consumer reporting agency in accordance with the federal Fair Credit Reporting Act.

Bank shall remain responsible for any violations of the confidentiality terms of this Agreement by any third party to

which Cardholder Information or Transaction Information has been disclosed by Bank (other than at the express

request of Retailer, including requests that require ongoing, periodic transfers by Bank on Retailer's behalf), and

provided further, that following the expiration or earlier termination of this Agreement, Bank shall not disclose or

use any Cardholder Information: (i) in the event Retailer exercises its option to purchase, or arrange for the purchase

of, the Accounts and Indebtedness under Schedule 11.2, to or for the benefit of any other retailer or (ii) in the event

Retailer does not exercise its option to purchase, or arrange for the purchase of, the Accounts and Indebtedness

under Schedule 11.2, to or for the benefit of any entity listed on Schedule 11.4(1).

6. Nothing herein shall limit Retailer's rights in or use of any customer list of Retailer to the extent the

information on the customer list therein is generated by Retailer independently of the Program.

Further, Bank's

ownership of the Cardholder Information (including co-ownership of the Store Transaction Information)

notwithstanding, and subject to the requirements of Applicable Law and Bank's Privacy Policy, Retailer may: (i) use

the contact information included in the Cardholder Information during the Term to promote the Program and to

promote the products and services sold by Retailer under the Program; and (ii) use the Transaction Information solely for its internal analysis and marketing purposes and shall not sell or disclose such information to any third party or otherwise use it in violation of Applicable Law, the Privacy Policy and Retailer's privacy policies. SCHEDULE 7.4(c)

Approval Rates and Credit Lines

1. Prior to the launch of the PLCC Program, Bank shall meet the average approval rates for the Co-Brand

Cards in accordance with Schedule 7.4(b) of the Prior Agreement and the Minimum Initial Credit Lines for the Co-

Brand Program as provided below.

2. Following the launch of the PLCC Program:

(a) Notwithstanding anything in Section 7.4(b) of the Agreement to the contrary, and subject to the

requirements of Applicable Law, Bank shall be obligated to meet: (i) on March 11, 2028 during the

Term (commencing from the first full month following the launch of the PLCC Program), the Minimum Approval

Rate as set forth on Schedule 7.4(c)(1), and (ii) at all times during the Term, the minimum initial credit line amounts

for the Program as set forth on Schedule 7.4(c)(1) hereto (the "Minimum Initial Credit Lines" and together with

the Minimum Approval Rate, the "Minimum Credit Targets").

(b) In the event Bank fails to meet the Minimum Approval Rate in any given rolling three (3) month

period, Bank shall have the opportunity to implement a cure in the following month (the "Cure Month") without

penalty. In the event Bank fails to meet the Minimum Approval Rate in any given 3-month period during the 11-month period

immediately following a Cure Month, Bank shall make a penalty payment in the amount of \$82,891.00, such payment to be

made on an alternating basis into the Marketing Fund or directly to Retailer (first payment shall

be made into the

Marketing Fund). In the event Bank fails to meet the Minimum Approval Rate in any 6-month period during the term,

Bank shall have the opportunity to cure such failure in the month following such period of non-compliance. If Bank

fails to meet the Minimum Approval Rate in any given rolling 11-month period thereafter, Retailer shall have the right to

terminate the Agreement.

(c) In the event Bank fails to meet the Minimum Initial Credit Line for any Account (subject to Schedule 7.4(c)(1)), upon written notice from Retailer to Bank of such failure, Bank shall increase the minimum

credit line of the applicable Account to the applicable amount.

(d) Notwithstanding the foregoing, Bank shall only be obligated to meet the Minimum Credit Targets

and make penalty payments under this Section if Retailer has fully performed its responsibilities under the Program

and there do not exist any facts that would give rise to Bank's right to terminate the Agreement pursuant to Article

10.

(e) Notwithstanding anything herein to the contrary, the remedies provided by this Schedule 7.4(c) shall

be Retailer's sole and exclusive remedy for Bank's failure to meet the Minimum Credit Targets contemplated

in Schedule 7.4(c)(1).

(f) Bank's compliance with the Minimum Initial Credit Lines shall be evidenced by a certificate as to

such compliance delivered by Bank to Retailer pursuant to Schedule 7.15.

Bank shall report to Retailer monthly, in a mutually agreed upon format, Bank's performance under each of the

Service Level Standards set forth in this Schedule 7.16. If Bank fails to meet any Service Level Standard, Bank shall

immediately report to Retailer the reasons for such failure and promptly take corrective action to prevent recurrence

of such failure. Such shall include, but not be limited to: (a) within fifteen (15) days of such report, proposing a

remediation plan for taking such action as Bank deems necessary to correct and prevent recurrence of such

failure(s); and (b) subject to agreement by Retailer, which agreement shall not be unreasonably withheld,

implementing the remediation plan as soon as practicable.

If after implementing the remediation plan contemplated above, notwithstanding anything to the contrary

herein, (x) the penalties and remedies set forth in this Schedule 7.16 shall be

93Retailer's sole and exclusive remedy for Bank's failure to meet the Service Level Standards contemplated

hereunder, and (y) such penalties and remedies shall not apply to Bank's performance with respect to the Service

Level Standards during the ninety (90) day period following the PLCC Launch Date and such

performance during

such period shall not be taken into account in determining the number of Bank failures with respect to the Service

Level Standards during any rolling twelve (12) month period.

94

SCHEDULE 7.18

Interchange Regulation

If at any time there occurs a decline of 9% or more in the interchange rate received by Bank from the

Association with respect to Non-Retailer Purchases, as benchmarked against a weighted average interchange rate of 11%, then Bank and Retailer shall engage in a good-faith renegotiation of the terms of this Agreement that Bank

reasonably believes are necessary to mitigate such material adverse effect; provided, that if the parties have not

agreed to such modified terms within thirty (30) days after the initiation of such renegotiation, Bank reserves the

right to (a) stop originating any new Co-Brand Accounts, and (b) at Bank's option, either maintain the then-existing

Co-Brand Accounts or convert such Co-Brand Accounts to Private Label Accounts (it being understood that if Bank

elects to stop originating Co-Brand Accounts hereunder and to convert such Co-Brand Accounts to Private Label

Accounts, the provisions of this Agreement relating solely to the Co-Brand Program shall cease to apply). If Bank

elects to effect its rights under either of clauses (a) or (b) of this Schedule 7.18, Bank shall

promptly notify Retailer

of such election.

95

SCHEDULE 7.19

Store Closure

If at any time, Retailer sells or closes a Store Location and (i) there is not another Store Location within forty

(40) miles of the sold or closed Store Location and (ii) Retailer has not delivered to Bank a written certification that

a new Store Location within forty (40) miles of the sold or closed Store Location will be opened within one hundred

twenty (120) days of the sale or closure of such Store Location, then with respect of any Account for which at least

seventy-five percent (75%) of the Co-Brand Purchases or PLCC Purchases, as the case may be, were made at the

closed Store Location in the twelve (12) billing cycles preceding the earlier of the date on which the Store Location

was closed or sold or the date upon which notice thereof is given by Retailer to Bank, Bank will have the right (but

not the obligation) to liquidate any or all such Accounts in a manner consistent with Bank's post-termination

Account liquidation rights set forth in Schedule 11.4, provided, however, that the foregoing shall not apply to

(x) any Account used to finance a purchase at any Retailer Sales Channel or the Retailer Website (to the extent Bank

can reasonably determine) during the sixty (60) day period subsequent to the closure of the

relevant Store Location

and (y) to the extent Bank can reasonably determine, any Account on which ten percent (10%) or more of the Co-

Brand Purchases (or prior to the implementation of the Direct Settlement Process for purchases through the Retailer

Website in accordance with Section 7.17(e) of the Agreement, ten percent (10%) of the Non-Retailer Purchases

made on the Retailer Website) or PLCC Purchases, as the case may be, were made at the Retailer Website in the

twelve (12) billing cycles preceding the earlier of the date on which the Store Location was closed or sold or the date

upon which notice thereof is given by Retailer to Bank. If with respect to any such Account there is not another

Store Location within eighty (80) miles of the sold or closed Store Location, then Bank may request that Retailer

waive the sixty (60) consecutive day period contemplated in the preceding sentence, which Retailer may waive in its

reasonable discretion. Retailer shall provide to Bank (a) at least 30 days prior written notice of any closure or sale of

any Store Location after the date hereof, which notice shall include the location of the nearest Store Location and, if

applicable, the certificate referred to in (ii) above, and (b) promptly following the end of each fiscal quarter, a report

setting forth the number of Store Locations that were closed or sold during the quarter and not located within forty(40) miles of another Store Location. For the avoidance of doubt, if a new Store Location is not opened within the

time period indicated in (ii) above, Bank's rights under this Schedule 7.19 shall apply.

96

SCHEDULE 8.1(e)

Presentment Warranties

With respect to each submission of Charge Transaction Data to Bank, Retailer represents and warrants as follows

with respect to such Charge Transaction Data and each underlying transaction:

(a) All purchases included in the Charge Transaction Data constitute bona fide, arms-length sales by

Retailer of the goods or services described therein in the ordinary course of Retailer's business (and do not include

any purchases conducted in connection with any GOB Sale that is not an Authorized Liquidation Sale); Retailer has

delivered all the products and fully performed all the services covered by the Charge Transaction Data;

(b) The charges included in the Charge Transaction Data did not involve a cash advance or goods or

services not listed in the applicable invoice, purchase order, purchase confirmation or receipt; only goods and

services sold by Retailer are included in the Charge Transaction Data; the charges represent the entire purchase price

of the goods and services identified in the Charge Transaction Data other than a bona fide down payment, deposit, or

similar payment paid by cash or check, or financed by any means other than the Account;

(c) No other credit provider has financed a portion of any sales transaction included in the Charge Transaction Data other than a bona fide down payment, deposit, or similar payment;

(d) For each charge included in the Charge Transaction Data, Retailer has (i) with respect to such charge

(other than any charge pertaining to a purchase transacted through the internet ("Internet Purchases")), prior to the

submission of such Charge Transaction Data to Bank, obtained a signed invoice or receipt executed by the

Cardholder or the authorized user, or (ii) to the extent such charge pertains to an Internet Purchase, (x) obtained

proof of the applicable purchase (in the form of a receipt, an order form, internet "screen shot" or such other proof

reasonably acceptable to Bank) and (y) obtained or will obtain, no later than twenty (20) days after the submission

of such Charge Transaction Data to Bank, proof of delivery; provided, however, that nothing in this subparagraph

(e) shall limit Bank's right to charge back to Retailer any Indebtedness pursuant to any applicable provision of

Section 8.1;

(e) All purchases included in the Charge Transaction Data occurred no earlier than five (5) days prior to

the submission of such Charge Transaction Data; and all transactions included in the Charge Transaction Data were

conducted in accordance with the Operating Procedures, this Agreement and all Applicable Law; and

(f) Each invoice or receipt included in the Charge Transaction Data is not invalid, or in any material

respect illegible, inaccurate or incomplete and has not been materially altered since being signed

or submitted by the

Cardholder; the masked or truncated Account number has been accurately printed on each charge slip, purchase

order or purchase confirmation and has been included in each transmission of Charge Transaction Data; subject only

to any “floor limit” set forth in the Operating Procedures, which is applicable in any case in which Bank’s

authorization system is unavailable, Retailer has obtained a valid authorization from Bank for each purchase (unless

otherwise waived by Bank).

97

SCHEDULE 9.1

Exclusivity

(a) Definitions. For purposes of this Schedule, the following terms shall have the meanings indicated below: “Existing Credit Product” means a plastic charge or credit card, or any on-line credit or charge

account which is accepted as a means of payment by substantially all retailers within the United States

as of the date of this Agreement.

“Generally Accepted” means accepted as a means of payment.

“Credit Product” means a charge or credit card or program, an on-line or mobile credit or charge account, or other credit or charge device. For avoidance of doubt, this term does not include debit only products.

“Permitted Credit Products” means a Credit Product under the Program and any Credit Product

meeting any of the following criteria:

(i) A Credit Product that is processed through a national payment network (including, for example, Visa, MasterCard, American Express, or Discover) and that is capable of being used at substantially all retail locations that accept such Credit Products;

(iii) A traditional “lay-away” or “flex pay” plan operated by Retailer whether or not bearing Retailer Marks;

(v) Any other Existing Credit Product; or

“Permitted Promotions” means (i) participating in periodic special promotions of national payment networks

(including, for example, Visa, MasterCard, American Express, or Discover) that reward the use of third party Credit

Products bearing the brand of such national payment network at Store Locations, (ii) Retailer’s use of generic store

signage indicating the acceptance of Permitted Credit Products, and (iii) providing applications for and information

on traditional “lay-away” or “flex pay” plan operated by Retailer.

(b) Issuance and Promotion of Credit Products. Retailer shall not, during the Term, directly or through a third-

party issuer, issue, offer or promote (except for Permitted Promotions) any Credit Product that in any way competes

with the Program, other than Credit Products

offered under the Program. For the avoidance of doubt, this subsection (b) does not apply to the acceptance of any

Permitted Credit Product as a means of paying for the purchase of goods and/or services from Retailer.

(c) Origination of Credit Products. Retailer shall not, during the Term, assist any other issuer, merchant or any

other third party in originating (e.g., establishing an account relationship with a consumer with respect to) any Credit

Product (with or without a Retailer Mark and with or without a rewards program, including, except as set forth in

Section (g) below, a credit or charge card bearing any trademark, service mark or logo of a chain established or

acquired after the Effective Date by Retailer), in each case, other than Credit Products offered through any program

offered by Bank or an affiliate of Bank.

(d) Acceptance of Credit Products. Retailer shall not, during the Term, accept any Credit Product which is not

a Permitted Credit Product.

(e) New Credit Products. If at any time during the Term, Retailer determines that a particular Credit Product

which (i) has not yet become Generally Accepted, (ii) represents a new innovation in the delivery of credit used to

purchase products at the point of sale in a retail environment (each a "New Technology Delivery Mechanism"), and

(iii) is reasonably expected to (x) meet Retailer's operational needs at least as well as the

corresponding Existing

Credit Product, and (y) become a material component of Retailer's suite of acceptable tender types (each a "New

Technology Credit Product"), then Retailer shall consult with Bank and the parties shall negotiate in good faith to determine whether such New Technology Credit Product will be (x) deemed a Permitted Credit Product hereunder,

and/or (y) issued by Bank and incorporated into the Program, in either case, which determination shall not be

unreasonably withheld or delayed.

(f) Transition. Nothing in this Agreement shall restrict Retailer from negotiating and entering into during the

Term an agreement with a third party to issue, offer or market, in each case subsequent to the Term, any Credit Product.

(g) Affiliates.

(h) Debit Card. If at any time during the Term Retailer decides to participate in the issuance of a debit card or

device, Retailer shall offer Bank the opportunity to make a proposal regarding such debit card issuance and shall

reasonably consider such offer; provided, that nothing in this Section shall preclude Retailer from rejecting Bank's proposal.

99

SCHEDULE 10.2(g)

Change in Law

For the purposes of Section 10.2(g), "Change in Law" means any of the events or circumstances

specified in

subsections (a) through (c) below:

(a) the enactment or promulgation of (i) a new federal, state or local statute, law or regulation, or
a

modification to any such new (or existing) statute, law or regulation, in each case binding on
Bank or Retailer, or

(ii) any implementing regulations or interpretations issued under any such statute, law or
regulation referred to in

clause (i) that are binding on Bank or Retailer;

(b) the issuance, enactment or promulgation of a written directive, guidance, order or
interpretation with

respect to a statute, law or regulation by a Governmental Authority that has jurisdiction, authority
or control over

Bank or Retailer, as the case may be, which directive, guidance, order or interpretation is either
(i) specifically

directed at and binding upon Bank or Retailer; or (ii) while not specifically directed at Bank or
Retailer, either (A) is

directed at and binding upon institutions similarly situated to Bank or Retailer (e.g. OCC directive
to all banks over

which the OCC exercises authority) or (B) would, based upon a legal opinion delivered by Bank's
counsel, be likely

in the opinion of such counsel to subject Bank to monetary liability or a disciplinary, enforcement
or similar

regulatory action by a Governmental Authority if Bank or Retailer were to fail to comply with such
directive,

guidance, order or interpretation; or

(c) a decision, order, decree, ruling or opinion of a United States federal or state court containing an interpretation of a statute, law or regulation applicable to one or more jurisdictions within which Bank is operating the Program; but only to the extent that one or more of the following applies: either (A) such decision, order decree, ruling or opinion is specifically directed at and binding upon institutions similarly situated to Bank or Retailer (e.g. is specifically applicable to all federal savings bank), (B) Bank is advised pursuant to a legal opinion of Bank's counsel that such decision, order decree, ruling or opinion is (or is likely to be) binding on Bank's or Retailer's business and operations, or (C) such decision, order decree, ruling or opinion would, based upon a legal opinion delivered by Bank's counsel, be likely in the opinion of such counsel to subject Bank to monetary liability or a disciplinary, enforcement or similar regulatory action by a Governmental Authority were Bank or Retailer to fail to comply with the substance of such decision, order decree, ruling or opinion.

Notwithstanding the foregoing subsections (a) through (c), the effectiveness or implementation of any statute, law, regulation, written directive, guidance, order or interpretation, or any decision, order, decree, ruling or opinion implementing any of the foregoing, shall not be a Change in Law if such statute, law, regulation, written directive, guidance, order or interpretation shall have been enacted or adopted and, in either case, issued

or otherwise released

to the public, prior to the Effective Date (even if it shall not have become effective or shall not have been

implemented prior to the Effective Date). For example, if the CARD Act's guidance on late fees had been publicly

issued prior to the Effective Date, but mandatory compliance had not been effective until after the Effective Date, a

Change in Law would not have been deemed to have occurred for purposes of this Schedule.

However, for the

avoidance of doubt, and by way of example, if legislation was passed prior to the Effective Date (e.g. the Dodd-

Frank Act), but such¹⁰⁰

legislation's implementing statutes, regulations, directives, guidance, orders or interpretations are not effective,

enacted or adopted and, in any such case, issued or otherwise publicly released until after the Effective Date, then

the enactment, adoption or effectiveness and public issuance or release of such implementing statutes, regulations,

directives, guidance, orders or interpretations after the Effective Date would be a Change in Law for purposes of this

Schedule if it meets the requirements of subsections (a), (b) or (c) above.

"CIL Decline" means, as of any date, the existence of all of the following conditions:

(i) A Change in Law (other than a Repeat Change in Law (as defined below)) (A) has occurred as of such

date, and (B) remains in effect as of such date.

(ii) The effect of applying such Change in Law (as further discussed below) for the twelve (12) calendar month period following such date (relative to the actual experience under the Program for the twelve (12) calendar month period immediately preceding such date) is reasonably determined by Bank to result in a decrease in Bank's rating of more than 70. Without otherwise limiting the foregoing, if the parties agree upon an offset to the impact caused by a Change in Law, but such offset does not compensate Bank for all components of such Change in Law, unless the parties have agreed otherwise as part of the negotiation for any prior offset, Bank shall retain its termination right hereunder (and any incremental impact of such additional components shall be added to the impact of all prior components) until all components of such Change in Law have been implemented and the impact of all such components is the subject of a mutually agreeable offset. However, if the Parties agree upon an offset that expressly accounts for the projected impact of the components to a particular Change in Law that have not been implemented in addition to any that have already been implemented, then regardless of the actual impact of such components not yet implemented, Bank shall be deemed to have waived its termination right (or any further offset) with respect to the portions of such Change in Law that were offset on a projected basis. For clarity, if a Change in

Law is

comprised of three components having a negative impact, then Bank shall continue to have a termination right hereunder until: (i) the entire negative impact has been offset, (ii) the parties have agreed that

Bank shall not have a termination right for any future component as part of the negotiation with respect to

the offset for a prior component, or (iii) an estimated offset has been agreed upon in advance of the

implementation of (Z).

(iii) Bank shall have delivered a written certification to Retailer with respect to the foregoing.

Any change in any Applicable Law that reduces the interchange revenue payable to Bank with respect to the

Program shall not be taken into account when determining a CIL Decline (instead, interchange reductions shall be

governed by Section 7.18).

If Bank does not notify Retailer of a Change in Law within twelve (12) months after the latest effective date of the

component of the Change in Law that causes a decrease in Bank's annual net income of greater than 10%, Bank shall be precluded from terminating this Agreement based on the particular Change in

Law. For instance, if a series of related changes constituting a Change in Law take place over a period of two years,

Bank's failure to trigger its termination rights under Section 10.2(g) until after the latest component of the related

changes takes effect will not prevent Bank from including the impact of the earliest components of the Change in

Law that are not Repeat Changes in Law in its calculations of a CIL Decline. Additionally, this preclusion will not

prejudice Bank's right to terminate this Agreement in connection with a later Change in Law, whether or not the later change includes some aspects of the earlier change (such as multiple changes to finance charge rates) that are

not Repeat Changes in Law. Also, for clarity (and anything in the definition of Change in Law or any of the

provisions of this Schedule to the contrary notwithstanding), it is understood that Bank has not factored into the

economics under this Agreement changes in law which may result from the loss of preemption as the law may

develop under the Dodd-Frank Act's preemption provisions. The Parties agree that the mere effectiveness of the

changes in preemption standards enacted by the Dodd-Frank Act on the "designated transfer date" as defined in the

Dodd-Frank Act, without further action, development, or regulatory pronouncement, shall not by itself be

considered a Change in Law, but that regulatory or judicial guidance or interpretation relating to preemption may

constitute Changes in Law.

"Dodd-Frank Act" means Pub. L. 111-203 (July 21, 2010).

"Repeat Change in Law" means any Change in Law as to which the substantive requirements thereof applicable to

Bank or Retailer, as the case may be, shall have been the subject of a prior certification pursuant to this Schedule

10.2(g). For example, in the event that Bank shall have certified upon enactment of a particular

statute as to a CIL

Decline, implementation of such statute or regulation implementing or interpreting the requirements of such statute

would be a Repeat Change in Law and would not be considered a Change in Law for purposes of clause (i) of the

definition thereof. However, if a particular statute is enacted with multiple provisions (e.g. the CARD Act), then

certification of one such provision of such statute as to a CIL Decline shall not be deemed a certification as to all

such provisions (or a certification of any subsequent interpretations thereof or guidance thereon), such that later

certification of any additional provisions (or any new interpretations or guidance which have not previously been the

subject of such a certification) from the same statute shall not be considered a Repeat Change in Law, so long as the

pro forma effect reflected by Bank with respect to such later certification shall be limited to such additional

provisions (and the incremental impact thereof) and shall exclude the pro forma effect of any Change in Law that

was previously subject to a prior certification; by way of example, if, in the event that Bank shall certify upon

enactment of a particular statute (e.g. the CARD Act) as to a CIL Decline for one such provision of the newly

enacted statute (e.g. required POS disclosures), but does not yet certify as to a CIL Decline for another provision of

such statute (e.g. late fee guidance) or any subsequent interpretation thereof, Bank's later

certification as to that

additional provision (or any subsequent interpretation thereof) would not be a Repeat Change in Law and would

instead be considered a Change in Law.

SCHEDULE 10.2(p)

Financial Covenants

A. "Financial Covenants":Debt to Equity Ratio: Retailer shall maintain on a consolidated basis, as of the end of each fiscal quarter of

Retailer, a Debt to Equity Ratio of not more than 85.

Minimum Tangible Net Worth: The Tangible Net Worth of Retailer on a consolidated basis, as of the end of each

fiscal quarter of Retailer, shall not be less than 1900000000.

B. Definitions: As used in this Schedule 10.2(p), the following terms have the following meanings:

"Debt to Equity Ratio" means, with respect to any entity as of any date, the ratio of (a) such entity's Funded Debt as

of such date, to (b) shareholders' equity in such entity, as determined in accordance with GAAP, as of such date.

"Funded Debt" means, with respect to any entity and for any period, the sum of (a) indebtedness under any working

capital or similar credit facility with respect to which such entity is the borrower, plus (b) all other

debt of such

entity for borrowed money (whether by loan or the issuance and sale of debt securities or for the deferred purchase

price of property), plus (c) obligations of such entity under capitalized leases, plus (d) such entity's obligations in

respect of banker's acceptances or standby letters of credit, or similar instruments issued or accepted by banks and

other financial institutions for the account of such entity.

"GAAP" means generally accepted accounting principles applicable in the United States, consistently applied;

provided, however, that if at any time any change in GAAP would affect the definition or computation of any

financial ratio or requirement set forth in this Agreement, and either Retailer or Bank shall so request, Retailer and

Bank shall negotiate in good faith to amend such ratio or requirement to preserve the original intent thereof in light

of such change in GAAP; provided that, until so amended, (i) such definition, ratio or requirement shall continue to

be interpreted and/or computed in accordance with GAAP prior to such change therein and (ii) Retailer shall provide

to Bank financial schedules setting forth a reconciliation between calculations of such ratio or requirement made

before and after giving effect to such change in GAAP.

"Intangible Assets" means, with respect to any entity and as of any date of determination, the sum of (a) all of such

entity's assets which should be classified as intangible assets (such as goodwill, patents,

trademarks, copyrights,

franchises, and deferred charges including unamortized debt discount and research and development costs) in

accordance with GAAP, (b) cash held in a sinking or other similar fund established for the purpose of redemption or

other retirement of capital stock, and (c) to the extent not already deducted from total assets, reserves for

depreciation, depletion, obsolescence or amortization of properties and other reserves or appropriations of retained

earnings which have been or should be established in connection with business operation.

104

“Net Worth” means, with respect to any entity and as of any date of determination, all items which should be

included as assets of such entity, less all items which should be included as liabilities of such entity, in each case,

determined in accordance with GAAP.

“Remediation Period” means a four (4) successive full calendar quarter period beginning after Retailer’s failure to

satisfy either of the Financial Covenants and throughout which period Retailer has been in full compliance with such

Financial Covenants.

“Tangible Net Worth” means, with respect to any entity and as of any date of determination, the Net Worth of such

entity, less the amount of such entity’s Intangible Assets.

C. Reporting: In order to establish compliance with the financial covenants set forth above, Retailer shall deliver to

Bank: (i) within forty five (45) days after the end of each fiscal quarter of Retailer (other than Retailer's fourth fiscal quarter), a certificate (including all calculations), signed by Retailer's Chief Financial Officer, establishing Retailer's compliance or non-compliance with the financial covenants for such fiscal quarter, and (ii) within ninety (90) days after the end of Retailer's fourth fiscal quarter during each fiscal year, a certificate (including all calculations), signed by Retailer's Chief Financial Officer, establishing Retailer's compliance or non-compliance with the financial covenants for such fiscal quarter. Unless otherwise specifically set forth to the contrary, all financial calculations contemplated herein shall be performed in accordance with GAAP.

D. Effect of Non-Compliance.(1) Bank shall have the right to terminate the Agreement if the financial covenants set forth in paragraph A above (the "Financial Covenants") are not met as of the end of any fiscal quarter pursuant to Section 10.2(p) which failure is not cured by posting the applicable Reserve Amount as provided in (2) below.

(2) Without limiting the foregoing, if Retailer fails to satisfy either Financial Covenant, Retailer may cure such failure by notifying Bank that Retailer intends to transfer to Bank (or Bank may deduct from the settlement payments made pursuant to Section 3.1) a reasonable estimate of Bank's exposure to (x) Retailer's non-payment or non-fulfillment of its obligations under this Agreement, and/or (y) projected Cardholder claims (collectively, the

“Reserve Amount”). The Reserve Amount shall be determined by Bank acting reasonably and shall be communicated to Retailer, including therewith a commercially reasonable detail regarding Bank’s determination of the Reserve Amount. For the avoidance of doubt, such reasonable estimate of Bank’s exposure may not include the risk of Cardholders defaulting on their Accounts and must bear a reasonable relationship to Bank’s contingent liability risk with respect to the Program with respect to: (i) chargebacks and credits (including associated royalty payments made to Retailer); (ii) the Unamortized Signing Bonus; (iii) In-Store Payments; (iv) gift cards; and (v) any other good or service purchased on a Credit Card and for which Retailer has received payment from Bank, but with respect to which the Cardholder has not received the applicable good (e.g., in the case of internet sales) or for which Retailer has not fully performed the applicable service (e.g., service contracts/extended warranties, if any), but without duplication of amounts taken into account in connection with chargebacks or credits. In the event that the Reserve Amount is reasonably determined by Bank to be in excess of Bank’s actual exposure, Bank shall, from time to time as

105

it makes any such reasonable determination, pay any such excess to Retailer. Upon receipt of the full amount of the

Reserve Amount, then, as to the specific reporting period within which Retailer failed to satisfy either of the

Financial Covenants, such default shall be deemed cured and Bank shall have no right to terminate this Agreement

pursuant to Section 10.2(p) with respect to such default. In order to be effective as a cure for Retailer's failure to

satisfy either Financial Covenant, Retailer must make the election to effect such a cure and transfer the Reserve

Amount to Bank (or notify Bank of its right to withhold such amount from settlement payments) within ten

(10) days after Bank's notification of the applicable Reserve Amount.

(3) Bank shall hold the Reserve Amount in an account on Bank's books (the "Reserve Account") and such Reserve

Amount shall secure Retailer's full and prompt payment of all further amounts due hereunder. If Retailer fails to pay

any amounts hereunder when due, Bank may immediately, and without prior notice to Retailer, debit any such

unpaid amount from any amounts then remaining in the Reserve Account. Bank's security interest in the Reserve

Account shall be in addition to any right of setoff or recoupment that Bank may otherwise have under the

Agreement or Applicable Law.

(4) Bank's rights under this Schedule 10.2(p) shall apply at all times until the earlier of (i) one hundred eighty

(180) days after the termination or expiration of this Agreement (or any Tail Period, as applicable), and (ii) the

occurrence of a Remediation Period, at which time, Bank shall pay to Retailer the remaining portion of the Reserve

Amount, if any. The foregoing notwithstanding, if after Bank shall have surrendered the Reserve Amount to Retailer

pursuant to the preceding sentence following the successful completion by Retailer of a Remediation Period,

Retailer shall again fail to satisfy the Financial Covenants set forth in this Schedule 10.2(p), the provisions of

Section 10.2(p) and this Schedule 10.2(p) shall again apply.

106

SCHEDULE 11.2

Purchase of Accounts by Retailer Upon Termination

1. Except as provided in Section 11.5, upon notice of termination of this Agreement by either party, Retailer

will have the option, exercisable as provided below, to purchase, or to arrange for the purchase by a third party nominated by Retailer (its "Nominated Purchaser"), of not less than all of the Accounts and related Indebtedness

(other than Accounts that have been written-off by Bank) upon the termination or expiration of this Agreement. The

purchase price for such Accounts shall be payable in immediately available funds in an amount equal to: \$560,621.00 (the

"Purchase Option"). Retailer's Purchase Option may be exercised as provided in this Schedule 11.2.

2. Retailer's Purchase Option may be exercised as follows:

(a) If the Agreement is expiring pursuant to either party's decision not to allow it to

automatically renew under Section 10.1, Retailer may exercise its Purchase Option by serving notice

the (the "Exercise Notice") on Bank no later than 40 days after the receipt of the information with respect

to the Program Assets required to be delivered by Bank pursuant to Section 5, paragraph (e) of this Schedule 11.2; provided, however, that Retailer or the Nominated Purchaser shall request such

information with respect to the Program Assets within 30 days following either (i) the date on which the

parties' right to agree to renew the Agreement pursuant to Section 10.1 has expired without such renewal having occurred or (ii) the date either Party receives written notice of the exercise of the other

party's termination rights pursuant to Section 10.2.

(b) If the Agreement terminates pursuant to Section 10.2 following the delivery of a termination notice by Retailer, Retailer may exercise its Purchase Option by giving an Exercise Notice within 140 days

(plus the number of days beyond the time that it takes Bank to deliver the information contemplated by

Section 5(e) below) following delivery of such notice of termination; provided if the Agreement is terminated by Retailer pursuant to Section 10.2(o), Retailer may exercise its Purchase Option by giving an Exercise Notice within 40 days following delivery of such notice of termination.

(c) If the Agreement terminates pursuant to Section 10.2 following the delivery of a termination notice by Bank, Retailer may exercise its Purchase Option by giving an Exercise Notice within 130 days

(plus the number of days beyond the time that it takes Bank to deliver the information contemplated by

Section 5(e) below) following delivery of such notice of termination; provided if the Agreement is terminated by Bank pursuant to Section 10.2(g) or 10.2(o), Retailer may exercise its Purchase Option

by giving an Exercise Notice within 40 days following delivery of such notice of termination.

3. If the Purchase Option is exercised pursuant to Section 2, paragraph (c) of this Schedule 11.2, Retailer or

the Nominated Purchaser must complete the purchase as soon as reasonably practicable but in no event later than

within 120 days after the delivery of the Exercise Notice; provided that if, in connection with the purchase of the Program

Assets by a Nominated Purchaser, any required regulatory approvals or rating agency consents are not received

within 50 days after the delivery of the Exercise Notice, Retailer shall complete the purchase of the Program Assets on behalf of

the Nominated Purchaser within 100 days after the delivery of the Exercise Notice. Notwithstanding the foregoing, if the

Agreement is terminated by Bank pursuant to Section 10.2(g) or Section 10.2(o) and Retailer has exercised the

Purchase Option (which Retailer must deliver no later than 60 days after Bank's notice of termination pursuant to

Section 10.2(g) or 10.2(o)), Retailer or the Nominated Purchaser must complete the purchase as soon as reasonably

practicable but in no event later than within 130 days after the delivery of the Exercise Notice; provided that if, in

connection with the purchase of the Program Assets by a Nominated Purchaser, any required regulatory approvals or

rating agency consents are not received within 160 days after the delivery of the Exercise Notice, Retailer shall complete the purchase of the Program Assets on behalf of the Nominated Purchaser within 90 days after the delivery of the Exercise Notice.

4. If the Purchase Option is exercised pursuant to Section 2, paragraphs (a) or (b) of this Schedule 11.2 Retailer or the Nominated Purchaser must complete the purchase as soon as reasonably practicable but in no event later than within 180 days after the delivery of the Exercise Notice; provided that if, in connection with the purchase of the Program Assets by a Nominated Purchaser, any required regulatory approvals or rating agency consents are not received within 100 days after the delivery of the Exercise Notice, Retailer shall complete the purchase of the Program Assets on behalf of the Nominated Purchaser (i) in all cases under Section 2, paragraphs (a) or (b) of this Schedule 11.2, except for a termination by Retailer pursuant to Section 10.2(o), within 170 days after the delivery of the Exercise Notice, or (ii) in the case of a termination by Retailer under Section 10.2(o), within 90 days after delivery of the Exercise Notice.

5. If Retailer exercises its Purchase Option under Section 2 of this Schedule 11.2:

- (a) Retailer and Bank agree to work in good faith to prepare the necessary purchase documents on terms and conditions that are reasonable and customary for the industry.
- (b) Each party will bear their own expenses related to the conversion of the Accounts and Indebtedness to Retailer or its designee.
- (c) Bank shall have no obligation to extend further credit under the Program after the closing of

the sale of the Accounts and Indebtedness to Retailer or its designee.

(d) Retailer shall no longer use Bank's name and must re-brand the Credit Cards within 90 days after

the date upon which the conversion and interim servicing of the Accounts and Indebtedness is completed. In addition, if such purchase option is exercised, Bank shall have no rights to use the Cardholder Information or Transaction Information or any list derived therefrom; provided, however,

that Bank may use other lists developed independently by Bank that may contain one or more of such

Cardholders.

(e) Retailer and Bank shall use reasonable commercial efforts to minimize transaction costs and Bank will provide Retailer and/or its Nominated Purchaser and their representatives with copies of management reports and records relating to the Program Assets for the purpose of conducting due

diligence investigations to determine whether

108

they wish to purchase the Program Assets and shall provide a master file of the Accounts including all current data (and which shall be updated at the request of Retailer) as soon as reasonably practical, but in

no event more than 10 after a request by Retailer or its Nominated Purchaser; provided however, that

Bank will be entitled to require Retailer and any Nominated Purchaser to enter into confidentiality arrangements reasonably acceptable to Bank before providing them with such information. Bank shall

provide reasonable assistance in connection with the conversion of the Program Assets to the

systems

of Retailer or the Nominated Purchaser, including provision of interim services in accordance with the

provisions of this Agreement until such conversion occurs. The Parties shall not unreasonably withhold or delay execution of such purchase agreement or any other documents reasonably necessary

to effectuate such sale. The Parties shall use reasonable efforts to ensure that the purchase date occurs

as promptly as reasonably practicable following the execution of such purchase agreement.

Notwithstanding the foregoing, to the extent an Exercise Notice has not otherwise been delivered to

Bank, upon written request from Retailer to be delivered no earlier than 20 days prior to the expiration of

the Initial Renewal Term and each Renewal Term, Bank shall provide to Retailer the information called for by this Section 5, paragraph (e) of this Schedule 11.2 in accordance with the provisions hereof.

109

SCHEDULE 11.3

Fair Market Value

In the event that this Agreement terminates and, if Retailer notifies Bank that it (or its Nominated Purchaser)

shall purchase the Program Assets, Bank and Retailer (or its Nominated Purchaser) shall attempt to mutually

determine the fair market value of the Program Assets, based on the assumptions set forth in Schedule

11.3(1) hereto. Fair market value shall be expressed as a percentage and shall equal the dollar

amount of the

Indebtedness plus any premium or minus any discount, as applicable, divided by the dollar amount of the Indebtedness. If the parties cannot reach such agreement, each party shall nominate an investment banker who

together shall select a third investment banker to value the Program Assets. In such case, the fair market value shall

be the average of the two closest valuations (expressed as a percentage as set forth above) provided by the

investment bankers; provided however, if the median valuation is within plus or minus three hundred (300) basis

points of the mean of the three valuations, the fair market value shall be the mean. In determining the fair market

value of the Program Assets, each party shall instruct the investment bankers to follow the guidelines set forth

in Schedule 11.3(1) hereto.

110

SCHEDULE 11.3(1)

Fair Market Value Appraisal Guidelines

Each appraiser shall be given the following instructions for preparing their valuations:

(i) Instructions regarding the number of Accounts being purchased, whether the Accounts represent all

Program Accounts or a specified group of Program Accounts, and if a specified group, the nature of

the group, and any applicable information regarding the exclusion of Excluded Accounts;

(ii) Assume an ongoing endorsement of the existing Program by ZALES JEWELERS (for existing

Accounts

only);

(iii) Assume no new Account acquisition marketing shall occur following the purchase of the Program

Assets (i.e., no new accounts to be added to the Program); and

(iv) Assume historical attrition rates and charge-offs, the then-existing value proposition, revenue sharing, rewards program funding as provided by Retailer, and product pricing for the Program shall

remain in effect over the entire 2-year term of the ongoing endorsement of existing accounts for purposes of the valuation.

111

SCHEDULE 11.4

Bank's Rights Upon Retailer's Failure to Purchase Accounts

If Retailer does not exercise its option to purchase, or arrange for the purchase of, the Accounts and

Indebtedness under Schedule 11.2, and without limiting any other right of Bank hereunder, upon the expiration or

earlier termination of the Agreement, (a) Retailer shall repay to Bank within ten (10) business days after the

effective date of such expiration or termination, the Unamortized Signing Bonus; and (b) Bank will have the right, in

addition to and without waiving any other rights it may have under the terms of this Agreement or Applicable Law,

to: (i) subject to Applicable Law, notify Cardholders that Bank shall cease providing credit under the Accounts and

require repayment of all amounts outstanding on all Accounts until all associated receivables have been repaid;

(ii) convert any or all of the Accounts to another credit or charge program maintained by Bank or any of its affiliates

that is not a department store competitor of Retailer as listed on Schedule 11.4(1), including to a ABCD

Bank-branded credit card (which card and related documentation (including marketing material) must not bear any

Retailer Mark and cannot have a look and feel that is confusingly similar to any Account Documentation, Credit

Card, Cardholder Rewards Program or materials used for advertising or solicitation); (iii) sell any or all of the

Accounts, whether by securitization or otherwise to any third party that is not a department store competitor of

Retailer as listed on Schedule 11.4(1) and will ensure that any third party purchaser or the Accounts does not re-market to or re-brand the Accounts with the trademarks of a department store competitor of Retailer as listed

on Schedule 11.4(1); or (iv) upon written notice by Bank, require that Retailer continue to accept Accounts at and

through Retailer Sales Channels for a period designated by Bank but not to exceed twelve (12) months after the later

of the termination or expiration of Retailer's right to purchase the Accounts and Indebtedness (the "Tail Period").

During the Tail Period, Bank shall continue to make the Retailer Royalty and the Non-Retailer Royalty set forth in

Section 2 of Schedule 4.1. In addition, all obligations of the parties with respect to the Cardholder

Rewards Program

pursuant to Schedule 6.4 shall continue during the Tail Period.

Retailer will cooperate with Bank and take any action reasonably requested by Bank in connection with the

provisions of the foregoing paragraph. Within 130 days after: (i) Retailer either gives written notice that it shall not

exercise its option referred to in Schedule 11.2 or the time period for Retailer to exercise such option shall have

expired; or (ii) termination of this Agreement, whichever occurs later, Bank shall no longer use any of Retailer

Marks (or any other trademarks or source indicators confusingly similar thereto) and must re-brand the Accounts;

provided that (x) if Bank elects to implement a Tail Period, then such 2-year period shall run from the expiration

thereof, and (y) after the expiration of any such 7-year period, Bank may continue to use the Retailer Marks solely to

the extent necessary to identify the Accounts in connection with the billing and collection thereof as described in

clause (b)(i) above, and as otherwise required by Applicable Law for no longer than 7 years or may make nominative

use of Retailer's name (or the Program name) to the extent necessary to identify the Program in connection with any

conversion or substitution, or in connection with the billing and collection of the Accounts as described in clause

(b)(i) above.

Unless Retailer exercises its option to purchase the Accounts and Indebtedness, Retailer shall have no rights to use the Cardholder Information or Transaction Information or any list derived therefrom; provided, however, that Retailer may use other lists developed independently by Retailer that may contain one or more of such Cardholders.

Assignment

Neither Bank nor Retailer may assign its rights or delegate its obligations under this Agreement without the prior written consent of the other party, which consent will not be unreasonably withheld, provided that (A) Bank may, without such consent (i) assign all or part of its rights and delegate some or all of its obligations under this Agreement to an affiliate; (ii) subject to Section 5.2(I) herein, engage third parties to perform some or all of Bank's obligations under this Agreement, including, without limitation the servicing and administration of Accounts; and (iii) assign all or some of its rights hereunder to any person acquiring any or all Accounts after the termination or

expiration of this Agreement; and (B) Retailer may, without such consent, but subject in all respects to the limitations set forth in Schedule 9.1 (i) assign all or part of its rights and delegate some or all of its obligations under this Agreement to an affiliate; (ii) engage third parties to perform some or all of Retailer's obligations under this Agreement, including, without limitation the servicing and administration of its obligations under the Cardholder Rewards Program; and (iii) assign all or some of its rights hereunder to any person acquiring any or all Accounts after termination or expiration of this Agreement. Notwithstanding any assignment pursuant to this Section, the assigning party will remain liable for all of its obligations under this Agreement. Subject to Retailer's rights under Section 7.9 as such relate to newly acquired affiliates and not affiliates arising as a result of a corporate restructuring or reorganization, Retailer agrees not to undertake a corporate restructuring or reorganization, unless it ensures that all entities resulting from such restructuring or reorganization that own or operate Retailer Sales Channels become parties to this Agreement.
